PATENT APPLICATION

ASSIGNMENT

WHEREAS I, Martin Feldman, a citizen of the United States of America, residing at 2811 Ormond Avenue, Baton Rouge, Louisiana 70820; together with Henry I. Smith, Ken-Ichi Murooka, and Michael H. Lim, having made an invention in "Adaptive Lithography Membrane Masks," a patent application for which I have executed on even date herewith (Attorney File No. Feldman Smith 9917B);

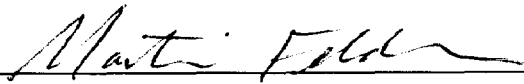

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors and assigns, my entire right, title, and interest in and to the said invention and application, and in and to any United States patent application that claims the benefit of the filing date of said application under 35 U.S.C. § 119(e) or 35 U.S.C. § 120, including but not limited to any division, continuation, or continuation-in-part of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made.

I do further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments,

and documents, and to perform such acts as I lawfully may, that may be deemed necessary by the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize the Commissioner of Patents and Trademarks, and any foreign counterpart to the Commissioner, to issue any and all Letters Patent which may be granted upon any of the said applications, to the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College as the assignee of my entire interest therein.

In witness whereof, I have hereunto signed my name on the 24th day of May, 2000.

Martin Feldman

STATE OF LOUISIANA

PARISH OF EAST BATON ROUGE

On this 24th day of May, 2000, before me personally appeared Martin Feldman, personally known to me, and known by me to be the person described in and who executed the foregoing instrument, and acknowledged that he executed the same as his free act and deed, on the day and year aforesaid.
