# ASSIGNMENT

to

The University of Washington  
Seattle, Washington

WHEREAS, Aaron B. Baker and Joan E. Sanders have made certain inventions in a STRUCTURES HAVING COATED INDENTATIONS for which Aaron B. Baker and Joan E. Sanders have executed an application for Letters Patent filed in the U.S. Patent Office on March 22, 2000 as Serial No. 09/532,855; and

WHEREAS, the University of Washington at Seattle, Washington, is desirous of acquiring an interest in the said invention and in any patent or patents to be obtained therefor;

NOW, THEREFORE, for sufficient, good and valuable consideration, the receipt of which is hereby acknowledged, Aaron B. Baker and Joan E. Sanders have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said University of Washington, the entire right, title, and interest in and to the invention shown, described, and claimed therein, and the full and exclusive right and title in and to said application, including any continuations, divisions and renewals thereof; and in and to any patent or patents which issue therefrom including reissues and extensions thereof; and Aaron B. Baker and Joan E. Sanders do hereby authorize and request the Commissioner of Patents and Trademarks or other proper officers, to issue such Letters Patent, or any of them, to said University of Washington as the assignee of their entire right, title, and interest in and to the same for the sole use and behoof of said University of Washington, and its successors or assigns.

And Aaron B. Baker and Joan E. Sanders further covenant and agree that Aaron B. Baker and Joan E. Sanders will, at the request and expense of said University of Washington, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that Aaron B. Baker and Joan E. Sanders will, at the request and expense of said University of Washington, execute such application papers as may be desired by said University of Washington for the filing of any continuation, division or renewal of the application herein conveyed, or for reissues or extensions of any Letters Patent that may be granted upon said application, and will execute such Supplemental Oaths and Preliminary Statements, or other papers as desired by said University of Washington.

And Aaron B. Baker and Joan E. Sanders further assign unto said University of Washington the whole right, title, and interest to said invention throughout all countries foreign to the United States, and do hereby authorize said University of Washington to apply for international patents and patents therefor in its own name in countries where such procedure is proper and to claim the benefit of the International Convention and do agree to execute applications for the said invention in the several countries where it is necessary that the same be executed by the inventors, and to execute assignment of such applications and the patents to be obtained therefor to said University of Washington, the assignee herein, as well as all other necessary papers.
