ASSIGNMENT

WHEREAS, I, **Cheryl Camp Haynes**, a citizen of the United States of America, residing at 4919 Riverhill Rd., Marietta, GA 30068, along with **Trena Lynn Smith**, a citizen of the United States of America, residing at 1619 Carrie Farm Court, Kennesaw, GA 30144, and **Ronald D. Stanley**, a citizen of the United States of America, residing at 316 Jeremy's Straight, Stockbridge, GA 30881 have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "System and Method for Eliminating an Unnecessary Dispatch of a Service Technician", which was filed in the U.S. Patent and Trademark Office on December 29, 1999 and assigned application serial number 09/474643; and

WHEREAS, **BellSouth Intellectual Property Corporation**, a corporation of the State of Delaware having a principal place of business at 824 Market Street, Suite 510, Wilmington, Delaware 19801, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Cheryl Camp Haynes, Trena Lynn Smith** and **Ronald D. Stanley**, by these presents do sell, assign and transfer unto **BellSouth Intellectual Property Corporation**, the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **BellSouth Intellectual Property Corporation**, as the assignee, for its interest and for the sole use and benefit of **BellSouth Intellectual Property Corporation** and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **BellSouth Intellectual Property Corporation**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole

or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **BellSouth Intellectual Property Corporation**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **BellSouth Intellectual Property Corporation**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
