ASSIGNMENT

Joint

WHEREAS, I, Donald G. Mylchreest, a citizen of the United States of America, residing at 22 Riverside Road, Simsbury, Connecticut 06070, have invented certain new and useful improvements in **STEAM GENERATOR HAVING AN IMPROVED STRUCTURAL SUPPORT SYSTEM**, for which I have executed an application for Letters Patent of the United States on the ~~1st~~ day of ~~February~~, 1999; and
30th November

WHEREAS, **COMBUSTION ENGINEERING, INC.**, a corporation organized and existing under the laws of the State of Delaware, and having an office at Windsor, Connecticut, is desirous of acquiring the entire right, title and interest in and to said application and the inventions contained therein and all Letters Patent which may be issued for said inventions;

NOW, THEREFORE, for and in consideration of the sum of one dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, I, Donald G. Mylchreest, do hereby sell and assign to **COMBUSTION ENGINEERING, INC.**, its successors and assigns my entire right, title and interest in and to all said inventions and in and to all Letters Patent of the United States which may be granted therefor on the above application or any divisions, continuations or renewals thereof, and any reissues of said Letters Patent; and I further hereby sell and assign to **COMBUSTION ENGINEERING, INC.**, its successors and assigns my entire right, title and interest in and to any patents which may issue in foreign countries on said inventions, together with the right to apply for patents in foreign countries and all rights of priority resulting from the filing of said United States application. And I agree to execute any foreign applications and to sign any papers necessary for securing or maintaining patents on said inventions in foreign countries; and

I do hereby covenant that I have the right to convey the said entire right, title and interest herein conveyed and that I have not executed and will not execute any agreement in conflict herewith; and

I agree to sign all necessary papers, give all necessary information, and testify in any judicial or administrative proceedings, including proceedings in any patent office, but at no expense to me, and to do everything in my power to aid **COMBUSTION ENGINEERING, INC.**, to secure and maintain patent protection on said inventions.

IN WITNESS WHEREOF, I have hereunto set my hand at Windsor,
Ct. this day 30th of November, 1999.
