ASSIGNMENT

WHEREAS, Akihiko YAGASAKI, of Tokyo, Japan, and _____, of _____ (hereinafter "Assignors"), are the inventors of an invention entitled ISOLATION TRANSFORMERS, set forth in an application for Letters Patent of the United States; and

WHEREAS, DENKENSEIKI RE. IN. CORP, of 1-41-21, Hachiman-cho Higashi-kurume city, Tokyo JAPAN (hereinafter "Assignee"), is desirous of acquiring an interest therein;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignors, by these presents do sell, assign and transfer unto Assignee and Assignee's successors, legal representatives, heirs and assigns, the full and exclusive right, title and interest in the United States of America to the said invention as described in the specification executed by the last to execute of the Assignors on the 23 day of May, 2000, (and Assignors hereby authorize Assignee's attorneys, authorized to prosecute said application, to here insert the serial number and filing date of said application, when known: _____ filed _____) preparatory to obtaining Letters Patent of the United States therefor, to said application, to all Letters Patent in the United States which have been or may be granted on said invention, to all divisions, continuations and continuations-in-part of said application, to all reissues, reexaminations, and extensions of said Letters Patent, and to all rights respecting the invention in the United States that are accorded by international treaty; said invention, all of said applications for Letters Patent, all Letters Patent therefor, and all of said treaty rights to be held and enjoyed by Assignee for Assignee's own use and behoof and for Assignee's legal representatives, successors, heirs, and assigns, to the full end of the term of said Letters Patent and any extensions thereof, as fully and entirely as the same would have been held by Assignors had this assignment and sale not been made; and for the same consideration, Assignors hereby covenant and agree that, at the time of execution and delivery of this instrument, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said invention, the application for Letters Patent above mentioned, any Letters Patent issued thereon, and said treaty rights, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth; and for the same consideration, Assignors hereby covenant and agree that Assignors will, whenever counsel of Assignee, or counsel of Assignee's successors, legal representatives, heirs or assigns, shall advise that any proceeding in connection with Letters Patent for said invention, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, obtained or to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for

said invention in the United States, without charge to Assignors, Assignors' successors, legal representatives, heirs and assigns, but at the cost and expense of Assignee, its successors, legal representatives, heirs, and assigns; and Assignors hereby request the U.S. Commissioner of Patents to issue any of said Letters Patent to be granted to Assignee.
