ASSIGNMENT

Whereas JRC Canada, Inc., having an address of 450 31st Street, North, ^{te} Lethbridge, Alberta CANADA, T1H 3Z3, hereinafter called "Assignee" owns certain inventions or discoveries (or both) set forth in Letters Patent of the United States of America No. 5,093,670, which issued on March 3, 1992, entitled LOG PERIODIC ANTENNA; and

Whereas Japan Radio Co., Ltd., having an address of 1-1 Shimorenjaku 5-chome, Mitaka-shi, Tokyo, 181-8510, Japan, and which, together with its successors and assigns, is hereinafter called "Assignee," ^{te} is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited;

Now, Therefore, in consideration of one Canadian dollar, furnished by Assignee to Assignor, receipt and sufficiency of which is hereby acknowledged, Assignor, does hereby, without reservation:

1. Assign, transfer, and convey to Assignee its entire right, title, and interest in and to said inventions and discoveries embodied in said Letters Patent, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all subsequent provisional and non-provisional applications as well as divisional, renewal, substitute, continuation, continuation-in-part, and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent;
2. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct;
3. Warrant that Assignor has not knowingly conveyed to others any right in said inventions, discoveries, applications, or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries;
4. Bind the legal representatives, transferees and assigns of the Assignor, as well as the Assignor, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to Assignor or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by the Assignor, its legal representatives, transferees and assigns as if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to Assignor relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in its control or in the control of the legal representatives, transferees or assigns which may be useful for establishing the facts of conceptions, disclosures, and reduction to practice of said inventions and discoveries.

In testimony whereof, Assignor has executed this Assignment as an instrument under seal on the date indicated below.
