ASSIGNMENT

In valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, I

FRANK D. BRILL

35681 N. Sheridan Drive, Fox Lake, IL 60020,

a citizen of the United States of America, hereby sell, assign, transfer and set over unto IMI CORNELIUS INC., a corporation of the state of Minnesota, having an office and place of business located at One Cornelius Place, Anoka, Minnesota 55303-6234, the entire right, title and interest in and to my invention as set forth in a non-provisional patent application entitled "SANITARY ICE MAKING AND DISPENSING APPARATUS", and which may be identified in the United States Patent Office by Serial Number 09/520,390, filed March 8, 2000, and in and to any United States Letters Patent issuing from any non provisional patent applications based thereon together with all improvements thereon and betterments thereof, all divisions, continuations and re-issues thereof and substitutions of or for said application, and including all rights under all international patent conventions, and hereby authorize and direct the Commissioner of patents to issue any and all patents for said invention when granted, in accordance with this assignment and sale. I further authorize IMI Cornelius Inc., its successors and assigns, or anyone it may properly designate, to apply for Letters patent for said inventions, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of the above referenced United States application and/or otherwise take advantage of the provisions under any applicable international patent filing convention.

For the same consideration, I hereby agree that I will promptly communicate to the aforesaid assignee or its assigns full and complete information concerning improvements or betterments of the inventions disclosed in said application, and will cooperate at any time upon request of said assignee or its assigns, at assignee's expense, in the procurement of patent protection to cover the invention(s) herein assigned and to be assigned including the execution of new, divisional, continuing and reissue applications; will make all rightful oaths, will testify in any proceedings in the Patent Office or in the Courts, and generally will do everything lawfully possible to aid said assignee, its successors, assigns, and nominees to obtain, enjoy and enforce proper patent protection for the inventions embraced within the terms of this document.

IN WITNESS WHEREOF, I have hereunto subscribed my name:

FRANK D. BRILL
