PATENT
REEL: 010929 FRAME: 0601

DEED OF ASSIGNMENT

THIS DEED is made the FIFTH day of OCTOBER 1999

BETWEEN: Cardiac CRC Nominees Pty Limited (ACN 062 280 737) of Block 4, Level 3, Royal North Shore Hospital, St Leonards, New South Wales ("CRC");

AND: Western Sydney Area Health Service, Westmead Hospital, Westmead, NSW 2145. ("Westmead").

RECITALS:

- A. Prior to the Expiration Date, Westmead was a member of the Cooperative Research Centre for Cardiac Technology (the "Centre") which was an unincorporated joint venture, established under the Cooperative Research Centres Scheme of the Australian Government and on the terms of the agreement made between the members of the Centre dated 11 June 1992 ("Centre Agreement").
- B. CRC has been established for the purpose of, among other things, holding Centre Intellectual Property (as defined in the Centre Agreement) on trust for members of the Centre.
- C. CRC has the authority to reassign the Intellectual Property which is the subject of this Agreement.
- D. CRC is the registered proprietor of the patents and the legal owner of the patent applications set out in Schedule 1 (the "Patents").
- E. CRC has agreed to assign the Patents to Westmead for the consideration set out in this Agreement.

OPERATIVE PROVISIONS

1. In this Deed, the following definitions shall apply, except where the context otherwise requires:

"Benefits" means all amounts or other consideration paid to Westmead (or any other person on their behalf) from any third party as a consequence of or attributable to the

Exploitation of the Patents including payments, royalties, licence fees and damages or other consideration arising from infringement of the Patents, all such amounts to be calculated as if such amounts were paid on an arms-length, commercial basis;

"Expiration Date" means 30 June 1999;

"Exploit" means in relation to the Patents, the exercise of Intellectual Property and any other right subsisting in the Patents and **'Exploitation'** shall be similarly construed;

"Intellectual Property" means all intellectual and industrial property including:

- (a) any patent, trade mark, service mark, copyright, design, business name, trade secret, confidential information or related right, whether registered, unregistered, the subject of a pending application or otherwise; and
- (b) any licence or other right to use or to grant the use of any item of intellectual or industrial property or to be registered as proprietor of any of those rights,

wherever subsisting in the world;

"Patent Costs" means all costs arising after the date hereof associated with the prosecution to grant or the maintenance of the Patents.

2. In this Agreement, including the recitals, unless inconsistent with the context:

- (a) a reference to a word includes the singular and the plural of the word and vice versa;
- (b) a reference to a gender includes any gender;
- (c) if a word or phrase is defined, then other parts of speech and grammatical forms of that word or phrase have a corresponding meaning;
- (d) a reference to a document includes a reference to that document as amended, notated, supplemented, varied or replaced;
- (e) a covenant, representation, warranty or an agreement between more than one person binds them jointly, severally and jointly and severally;

- (f) a provision of this Agreement is not to be construed against a party solely on the ground that the party is responsible for the preparation of this Agreement or a particular provision;
- (g) a reference to an asset includes all property of any nature including but not limited to a business, a right, a revenue and a benefit; a reference to liquidation includes appointment of an administrator, compromise, arrangement, merger, amalgamation, reconstruction, winding up, dissolution, assignment for the benefit of creditors, scheme composition or arrangement of creditors, insolvency, bankruptcy or any similar procedure or if applicable changes in the constitution of a partnership or the death of a person; and
- (i) a reference to "\$", "A\$", "Australian dollars" or "dollars" is a reference to the lawful tender of the Commonwealth of Australia.
3. CRC hereby assigns to Westmead free from any third party loans, charges or encumbrances all its right, title and interest in the Patents together with:
- (a) all statutory and common law rights attaching to the Patents including the right to sue for damages and other remedies in respect of any infringement or misuse of such rights or other acts within the scope of the claims of any published specification of any of the Patents whether arising prior to, on or after the date of this Agreement; and
- (b) the right to apply for, prosecute and obtain patent or similar protection throughout the world in respect of the Patents including the right to claim priority under all applicable international conventions to the intent that the grant of any patents or any similar protection shall be in the name of and shall vest in Westmead.
4. CRC shall procure the passing of such resolutions, execute such documents and waivers and generally to do everything further required by Westmead effectively to comply with its obligations under this Assignment and to vest the beneficial and legal ownership of the Patents in Westmead. Westmead will meet CRC's reasonable costs and expence in this regard.

12

5. CRC does not give any warranties in relation to the Patents and, without limitation, the CRC does not give any warranty that any of the Patents are valid or that the Patents do not infringe Intellectual Property not held by the CRC.
6. (a) The consideration payable by Westmead to the CRC for the assignment of rights under this Agreement is the sum of \$89,948, being the documented patent costs incurred by CRC and set out in Schedule 2.
(b) Westmead shall pay the consideration specified in clause 6(a) in the following manner:
 - (i) at Westmead's discretion; or
 - (ii) upon Westmead receiving the Benefits in accordance with schedule 3 and clause 7(b);whichever is the earlier.
7. (a) Westmead must at their principal place of business, keep true and accurate records of the Benefits and must also keep proper books of accounting relating to the monies from time to time payable to the CRC under this Deed until no further consideration is payable in accordance with clause 6.
(b) Westmead must within thirty (30) days after the expiry of each six month period (ending on 30 June and 31 December), furnish to the CRC a statement in writing setting out the amount of Benefits received by Westmead for that six month period and must remit with each such statement the monies payable to the CRC in respect thereof, if any.
(c) CRC may at its own expense at any reasonable time, either itself or by its agents, attorneys or accountants inspect, copy or make extracts from Westmead books and records relating to the monies payable and other obligations under this Deed and for the purpose of ensuring compliance with the terms of this Deed.
8. (a) Westmead shall, at Westmead's reasonable discretion, be responsible for obtaining and maintaining the Patents from the date hereof.
(b) Westmead shall:
 - (1) meet all Patent Costs as and when they fall due and payable; and

16

(2) indemnify the CRC against any Patent Costs.

9. Westmead shall indemnify the CRC against any claim incurred or suffered by, or brought, made or recovered against the CRC in connection with or as a consequence of the rights being assigned under this Deed including any claim relating to use or ownership of the Patents whether arising before, on or after date of this Deed. CRC warrants it is not aware of any such claim at this date.
10. Westmead shall not assign the Patents to any third party without including provisions within that assignment to ensure the residual liability, as a result of this Deed, with respect to the documented patent costs incurred by CRC as outlined in Schedule 2, is either transferred to the third party or remains with Westmead.
11. All amounts referred to in this Assignment are stated exclusive of value added tax (such as a goods and services tax) and all other taxes and duties payable in respect of the same. Each party required to make a payment under this Agreement shall pay to the other all such value added tax, duties and taxes as may be charged upon such payment other than tax payable on the profits of the party to whom the payment is made or is to be made. The party to whom any payment of value added tax is made under this Deed shall provide the party by whom the payment is made with any applicable tax invoice in respect of the payment.
12. This Assignment shall in all respects be governed by the laws of New South Wales. The parties irrevocably submit to the non-exclusive jurisdiction of the New South Wales Courts.
13. Where Westmead is more than one person, the obligations on the part of Westmead contained in this Deed take effect as joint and several obligations and references to Westmead take effect as references to those persons or any of them.

For clarity some worked examples:

(1) Westmead receives \$45,000 in Benefits. The documented patent costs = \$89,948

Benefit received = \$45,000

Thus, Westmead must repay $\$45,000 \times 15\% = \$6,750$ to CRC.

This leaves a residual liability of $\$89,948 - \$6,750 = \$83,198$.

(2) Westmead receives \$155,000 in Benefits. The documented patent costs = \$89,948

Benefit received = \$155,000

Thus, Westmead must repay $\$155,000 \times 50\% = \$77,500$ to CRC.

This leaves a residual liability of $\$89,948 - \$77,500 = \$12,448$.

(3) Westmead receives \$250,000 in Benefits. The documented patent costs = \$89,948

Benefit received = \$250,000

Thus, Westmead must repay $\$250,000 \times 75\% = \$187,500$ to CRC.

This exceeds \$89,948, so Westmead repays \$89,948 and has no more liability under this Agreement.
