PATENT SECURITY AGREEMENT

16, 2000, by and between GREEN TREE CHEMICAL TECHNOLOGIES, INC., a Delaware corporation ("BORROWER"), with its mailing address at 105 Park Avenue, Seaford, Delaware 19973 and LASALLE BUSINESS CREDIT, INC., a Delaware corporation ("LENDER"), with a place of business at 120 East Baltimore Street, Suite 1802, Baltimore, Maryland 21202.

RECITALS

The LENDER is providing certain credit accommodations to the BORROWER, pursuant to the terms and conditions set forth in the Loan and Security Agreement dated September 15, 1998, as amended ("LOAN AGREEMENT") by and between the BORROWER and the LENDER, and various other documents, instruments and agreements executed by or on behalf of the BORROWER in connection with the above-described credit accommodations (together with the LOAN AGREEMENT, collectively, "LOAN DOCUMENTS").

Pursuant to the terms and conditions of the LOAN AGREEMENT, has agreed to grant to the LENDER a lien and a security interest in all patents owned by the BORROWER.

NOW, THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION, the receipt and adequacy of which are hereby acknowledged, the BORROWER agrees with the LENDER as follows:

Section 1. Grant of Security Interest. The BORROWER, as additional security for the complete and timely payment, performance and satisfaction of all of the OBLIGATIONS (as hereafter defined), hereby grants unto the LENDER, its successors and assigns, upon the following terms and conditions, a continuing lien on and security interest in those certain patents registered with the United States Patent and Trademark Office in the name of the BORROWER, and described on Exhibit "A" attached hereto and made a part hereof, together with any renewals thereof, and all claims for damages by reason of past infringement of such patents with the right to sue for and collect the same, to the LENDER (collectively, "PATENTS") and all license rights in the PATENTS. As used herein, the term "OBLIGATIONS" shall mean all duties of payment and performance, whether direct or indirect, both now existing and arising from time to time, owed by the BORROWER to the LENDER under the LOAN AGREEMENT and the other LOAN DOCUMENTS. This AGREEMENT is delivered pursuant to and in confirmation of the terms and conditions of the LOAN AGREEMENT, which terms and conditions are incorporated by reference into this AGREEMENT and made a part hereof as if fully set out herein.

Section 2. Additional Patents. If, before the OBLIGATIONS shall have been satisfied in full, the BORROWER shall obtain rights

to any new patents, the provisions of Section 1 shall automatically apply thereto and the BORROWER shall give prompt written notice thereof to the LENDER. The BORROWER irrevocably and unconditionally authorizes the LENDER to modify this AGREEMENT by amending Exhibit A to include any additional patents and applications therefor owned or acquired by BORROWER without any further assent or signature of the BORROWER.

Section 3. Purpose. This AGREEMENT has been executed and delivered by the BORROWER for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the LENDER under the LOAN AGREEMENT. The LOAN AGREEMENT shall remain in full force and effect in accordance with its terms.

Section 4. Representations And Warranties. The BORROWER represents and warrants that as of the date of this AGREEMENT, each of the following statements are true and correct, except to the extent that failure thereof would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect (as that term is defined in the LOAN AGREEMENT):

a. The PATENTS are subsisting and have not been adjudged invalid or unenforceable in whole or in part;

b. Each of the PATENTS is valid and enforceable;

c. No claim has been made that the use of any of the PATENTS does or may violate the rights of any third person;

d. The BORROWER is the sole and exclusive owner of the entire unencumbered right, title and interest in and to each of the PATENTS, free and clear of any liens, charges and encumbrances, including without limitation pledges, assignments, licenses, registered user agreements and covenants by the BORROWER not to sue third persons, except for Permitted Liens (as that term is defined in the LOAN AGREEMENT); and

e. The BORROWER has the unqualified right to enter into this AGREEMENT and to perform its terms.

Section 5. Maintenance Of Patents; Prosecution Of Applications And Proceedings. To the extent consistent with the reasonable business judgment of the BORROWER, the BORROWER shall maintain the registration of the PATENTS, and take all actions necessary to maintain, preserve and continue the validity and enforceability of the PATENTS, including but not limited to the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings, and the payment of any and all application, renewal,

extension or other fees. Any expenses incurred in connection with the PATENTS shall be borne by the BORROWER.

Section 6. Agreement To Assign Interest. In the event of acceleration of the OBLIGATIONS in accordance with paragraph 17 of the LOAN AGREEMENT, in addition to all other rights and remedies available to the LENDER under the LOAN AGREEMENT or applicable law, the BORROWER hereby agrees to execute documents considered necessary or appropriate by the LENDER to effectuate the assignment, transfer and conveyance of the PATENTS to the LENDER or its assignee. All of the LENDER'S rights and remedies with respect to the PATENTS, whether established by this AGREEMENT, by the LOAN AGREEMENT, by any other LOAN DOCUMENT, or by law shall be cumulative and may be exercised singularly or concurrently.

Section 7. Patent And Trademark Office May Rely Upon This Assignment. If the LENDER shall elect to exercise any of the rights hereunder, the United States Patent and Trademark Office shall have the right to rely upon the LENDER'S written statement of the LENDER'S rights hereunder and the BORROWER hereby irrevocably and unconditionally authorizes the United States Patent and Trademark Office to recognize such rights by the LENDER either in the BORROWER'S name or in the LENDER'S name without the necessity or obligation of the United States Patent and Trademark Office to ascertain the existence of any default by the BORROWER under the LOAN AGREEMENT.

Section 8. Costs And Expenses. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including the reasonable attorney's fees and legal expenses incurred by the LENDER in connection with the preparation of this AGREEMENT and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving the PATENTS, or in defending or prosecuting any actions or proceedings arising out of or related to the PATENTS, shall be borne and paid by the BORROWER on demand by the LENDER and until so paid shall be added to the principal amount of the OBLIGATIONS and shall bear interest at the highest rate prescribed in the LOAN AGREEMENT.

Section 9. Notices. Notices that are required or permitted to be delivered hereunder shall be sufficient if in writing and sent to the addresses set forth in the LOAN AGREEMENT, in the manner and within the time specified in the LOAN AGREEMENT.

Section 10. No Further Lien Or Assignment. The BORROWER shall not grant any further lien or security interest in, nor shall the BORROWER assign, transfer or convey its interests in, the PATENTS without the prior written consent of the LENDER.

Section 11. Further Assurances. The BORROWER shall execute any further or additional documents considered necessary, appropriate or proper by the LENDER to effectuate the purposes and intent of this AGREEMENT.

Section 12. Amendment. The terms and conditions of this AGREEMENT may be modified, altered, waived, or amended only by a writing executed by the LENDER consenting to the modification, alteration, waiver, or amendment.

Section 13. Choice Of Law. The laws of the State of Maryland (excluding, however, conflict of law principles) shall govern and be applied to determine all issues relating to this AGREEMENT and the rights and obligations of the parties hereto, including the validity, construction, interpretation, and enforceability of this AGREEMENT and its various provisions and the consequences and legal effect of all transactions and events which resulted in the execution of this AGREEMENT or which occurred or were to occur as a direct or indirect result of this AGREEMENT having been executed.

Section 14. Consent To Jurisdiction; Agreement As To Venue. The BORROWER irrevocably consents to the non-exclusive jurisdiction of the courts of the State of Maryland and of the United States District Court For The District Of Maryland, if a basis for federal jurisdiction exists. The BORROWER agrees that venue shall be proper in any circuit court of the State of Maryland selected by the LENDER or in the United States District Court For The District Of Maryland if a basis for federal jurisdiction exists and waives any right to object to the maintenance of a suit in any of the state or federal courts of the State of Maryland on the basis of improper venue or of inconvenience of forum.

Section 15. Severability. If any of the provisions of this AGREEMENT are judicially determined to be in conflict with any law of the State of Maryland or otherwise judicially determined to be unenforceable for any reason whatsoever, such provision shall be deemed null and void to the extent of such unenforceability but shall be deemed separable from and shall not invalidate any other provision of this AGREEMENT.

Section 16. Successors And Assigns. The terms, covenants and conditions contained in this AGREEMENT shall inure to the benefit of the LENDER and its successors and assigns, and shall be binding upon the BORROWER and its successors and assigns.

Section 17. Waiver Of Jury Trial. The BORROWER (by its execution hereof) and the LENDER (by its acceptance of this AGREEMENT) agree that any suit, action, or proceeding, whether claim or counterclaim, brought or instituted by any party hereto or any successor or assign of any party hereto, with respect to this AGREEMENT, the LOAN DOCUMENTS, or any other document or agreement which in any way relates, directly or indirectly, to this

AGREEMENT, the LOAN DOCUMENTS, the OBLIGATIONS or any event, transaction or occurrence arising out of or in any way connected with this AGREEMENT, the LOAN DOCUMENTS, any of the OBLIGATIONS, or the dealings of the parties with respect thereto, shall be tried only by a court, and not by a jury. THE BORROWER AND THE LENDER HEREBY EXPRESSLY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN ANY SUCH SUIT, ACTION, OR PROCEEDING. The BORROWER acknowledges and agrees that this provision is a specific and material aspect of the agreement between the parties hereto and that the LENDER would not enter into the subject transactions if this provision were not part of this AGREEMENT.

IN WITNESS WHEREOF, the BORROWER has executed this AGREEMENT as of the date first above written with the specific intention of creating an instrument under seal.
