A S S I G N M E N T

In consideration of the sum of one dollar (\$1.00) and other good and valuable consideration paid to the undersigned JOHN H. DEJONGE and BRIAN A. CRUSON of 5549 - 180TH Street, Surrey, British Columbia, Canada, V3S 5Y5 and 5549 - 180TH Street, Surrey, British Columbia, Canada, V3S 5Y5, the receipt of which is hereby acknowledged, the undersigned hereby sell, assign and transfer to ARTEX FABRICATORS LTD. whose full post office address is 5549 - 180TH Street, Surrey, British Columbia, Canada, V3S 5Y5 (hereinafter designated as the Assignee), the entire right, title and interest in and to the invention known as CATTLE HANDLING SYSTEM AND METHOD OF INSTALLING SAME for which an application for patent in the United States of America has been executed by the undersigned ARTEX FABRICATORS LTD. on December 20, 1999, and in and to the patent applications set forth on the attached Appendix A and in and to any and all improvements which are disclosed in the applications or patents and all divisions, substitutes and continuations thereof, and all United States Letters Patents which may be issued thereon, and all foreign rights including all priority rights and benefits under all international conventions for the protection of industrial property, and all applications for patents including related rights such as utility model, inventor's certificates and the like heretofore or hereafter filed in the United States or any foreign country, and all patents including extensions, renewals and reissues thereof granted in the United States or any foreign country.

The undersigned agree to execute all papers necessary in connection with this application and any continuing divisional or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assign may deem necessary or expedient.

- 2 -

The undersigned agree to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation, division or reissue thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned agree to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

The undersigned hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent of the United States patent resulting from said application or any division or divisions or continuing or reissue applications thereof to the said Assignee, as Assignee of the entire interest, and hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed, and will not execute any agreement in conflict herewith.

The undersigned hereby grant John R. Uren, Registration No. 27,530 who carries on business at Suite 202-1590 Bellevue Avenue, West Vancouver, British Columbia, Canada, V7V 1A7, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent office for recordation of this document.
