R0057C**ASSIGNMENT I**

WHEREAS, I/we, the undersigned, have invented a new and useful improvement in "Substituted 2-(4-Piperidyl)-4(3H)-Quinazolinones and 2-(4-Piperidyl)- 4(3H)-Azaquinazolinones" ("Invention") for which I/we have made application for Letters Patent of the United States of America;

AND WHEREAS, said application was filed in the United States Patent and Trademark Office on July 27, 2000 and was assigned U.S. Patent Application Serial No. 09/626806 ("Application"), for which I/we authorize and direct SYNTEX or its designee to insert the filing date and application serial no. of the Application when received;

AND WHEREAS, Syntex (U.S.A.) LLC, a corporation of the State of Delaware, having an address at 3401 Hillview Avenue, P.O. Box 10850, Palo Alto, California 94303 ("SYNTEX") desires to perfect its right to the Invention, the Application, and in the Letters Patent(s) to be obtained therefore from the United States of America and all countries foreign thereto;

NOW, THEREFORE, in furtherance of my/each of our obligations as an employee of SYNTEX and in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I/We do hereby sell, assign and transfer to SYNTEX, its successors, assignees and legal representatives, my/our entire right, title and interest in the United States and in all foreign countries, including all rights to claim priority, in and to:

- (1) the Invention in the United States and in all countries throughout the world,
- (2) the Application and any and all continuation, divisional, continuation-in-part, renewal, substitute, reissue, or foreign application(s) thereof which have been or may be subsequently filed, in the United States and/or in any and all other countries foreign thereto, on the Invention,
- (3) any and all patent(s), including any reissue, reexamination, or extension thereof, which may be issued in the United States or in any foreign country on the Invention;

ASSIGNMENT I

(4) and specifically including the right to file foreign application(s) under the provisions of any and all conventions or treaties and claim priority based on the Application in the United States.

AND I/we hereby represent, warrant, and covenant that I/we have full right to convey my/our entire interest herein assigned, and that I/we have not executed and shall not execute any agreement in conflict herewith, and that I/we have not and shall not assign or grant to third parties the rights and property herein conveyed to SYNTEX, nor mortgage, license, or encumber the rights and property herein conveyed to SYNTEX;

AND I/we further represent, warrant, and covenant that I/we shall, upon request and without undue delay, execute and deliver any and all such instrument(s) as may be necessary or desirable to carry this Assignment into effect and perfect the title to the Invention, said application(s) and said Letters Patent(s), to SYNTEX, its successors, assigns, or legal representatives, or to prosecute any and all of said United States or foreign applications;

AND I/we agree to communicate to SYNTEX, or to its designee, any and all known facts respecting the Invention, said application(s), and said Letters Patent(s), to cooperate, assist and participate in any and administrative or legal proceedings, to sign any and all lawful papers, to execute any and all disclaimers and divisional, continuation, continuation-in-part, reissue, and foreign applications, to make any and all rightful oaths, declarations, and powers of attorney, and generally to do everything reasonably possible to aid SYNTEX, its successors, assigns, and legal representatives to obtain, maintain, and enforce, for its own benefit, appropriate patent protection for the Invention in any and all countries, provided the expenses which may be incurred by me/us in providing such cooperation, assistance, and participation are paid by SYNTEX;

AND I/we hereby authorize and request the Commissioner of Patents and Trademarks for the United States and any official of any country or countries foreign to the United States whose duty it
