DADE BEHRING

Dade Behring Inc.
1717 Deerfield Road
P.O. Box 778
Deerfield, IL 60015-0778

Serial No. ⁽¹⁾ 29/124,876 Filed ⁽¹⁾ June 13, 2000

In consideration of ONE DOLLAR and other good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, we hereby assign to DADE BEHRING INC. (hereinafter referred to as "assignee"), a corporation of Delaware, having a principal place of business at 1717 Deerfield Rd., #778, DEERFIELD, ILLINOIS 60015-0778, its successor, legal representatives and assigns, the entire right, title and interest throughout the world in our invention or improvements in

⁽²⁾ Aliquot Segment Holder Or Similar Article

and in the application for Letters Patent of the United States therefor, executed by each of us individually on the date(s) indicated below and any and all other United States applications and applications in any and all countries which assignor may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States or of any other country which may be obtained on any of the said applications, and in any reissue or extension thereof.

We hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said DADE BEHRING INC.

We hereby authorize and request the attorneys of record in said application to insert in this assignment the date and serial number of said application when officially known.

We warrant ourselves to be the owners of interest herein assigned and to have the right to make this assignment; and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For said considerations we hereby agree, upon request and at the expense of said assignee, its successors, legal representatives and assigns, to execute any and all divisional, continuation, and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said assignee, its successors, legal representatives and assigns may deem necessary or expedient, and for the said considerations we further agree, upon the request of assignee, its successors, legal representatives and assigns, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof becoming involved in interference, to cooperate to the best of our ability with said assignee, its successors, legal representatives and assigns in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. We further agree to perform, upon such request, any and all affirmative acts to obtain Letters Patent, and vest all rights therein hereby conveyed in the said assignee, its successors, legal representatives and assigns whereby said Letters Patent will be held and enjoyed by the said assignee, its successors, legal representatives and assigns to the end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made, and for the said considerations assignor hereby also assigns to said assignee, its successors, legal representatives and assigns the entire right, title and interest in said invention or improvements for any and all foreign countries and the right of priority for patent and utility model application in all countries arising under any applicable international convention for the protection of industrial property and/or any internal priority legislation of such countries, and we further agree upon the request of said assignee, its successors, legal representatives and assigns to execute any and all documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said assignee.

THIS DOCUMENT MUST BE EXECUTED IN THE PRESENCE OF A NOTARY PUBLIC

INSTRUCTIONS FOR JOINT INVENTOR ASSIGNMENT

- A. This assignment form is to be used when the patent application has more than one inventor. The inventors need not execute the assignment at the same time.
- B. The assignment must be signed in the presence of a notary public, who will put his or her seal in the space provided. Each signature must be notarized by a notary public who witnesses the signature. If one or more inventors execute the assignment separately, notarization of their signatures may be done by the same or a different notary.
- C. The following instructions are applicable to the blank spaces identified by the numbers on the assignment form:
 - (1). These spaces will normally be blank at the time of execution. They will be filled in by the Patent Department after the patent application has been filed and an application number has been obtained.
 - (2). Enter the title (name) of the patent application.
 - (3). Type the full name of each inventor under the respective signature lines. Each inventor is to sign exactly as the name has been typed, and enter the date that he or she signs.
 - (4). These blanks are to be completed by the notaries. The name of each inventor that appeared before the notary is to be entered in the space provided.
- D. If there are not enough signature spaces on this sheet for each of the named inventors, additional signature sheets are available from the Patent Department. When used attach or staple the additional signature sheets to this document.
- E. Other assignment forms are available from the patent Department for use by sole inventors,.
