ASSIGNMENT

We, the undersigned

John Chiefari, Roshan Tyrrel Mayadunne, Graeme Moad, Ezio Rizzardo and San Hoa Thang

Hereby declare that

We are the true and first inventors of an invention relating to

Polymerization Process With Living Characteristics and Polymers Made Therefrom

which is disclosed in PCT International Application, **PCT/US98/26428** filed the **11th** day of **December, 1998** (Case No. **FA-0783**); in which the United States of America is a designated state for Letters Patent; and, for valuable consideration, the receipt and adequacy of which is hereby acknowledged and in fulfillment of our pre-existing obligation of assignment, we hereby sell, assign, and transfer unto E. I. du Pont de Nemours and Company, a corporation organized and existing under the laws of the State of Delaware in the United States of America and having its principal place of business at Wilmington, Delaware, and Commonwealth Scientific and Industrial Research, an Australian company organized and existing under the laws of Australia and having its principal place of business at Capital Territory, Australia, hereinafter referred to as the assignees, the entire right, title, and interest in and to the aforesaid application for Letters Patent, including any priority rights derived from the aforesaid application for Letters Patent by virtue of the International Convention for the Protection of Industrial Property for any and all member countries of the aforesaid International Convention, and the entire right, title and interest in and to any and all our inventions, whether joint or sole, disclosed in the aforesaid application for Letters Patent, and in and to any and all applications for Letters Patent for any such inventions in any country whatsoever, and in and to any and all patents for any such inventions in any country whatsoever, with the sole right to file such applications in their name or ours, including the sole right to file such applications under the aforesaid International Convention, together with the sole right to have said patents granted in their name or ours and to enforce said patents and to sue for and recover profits and damages for any and all infringements thereof, and hereby agree, whenever requested, to communicate to said assignees, their successors, assigns, and legal representatives, any facts known to us respecting said inventions, to testify in any legal proceeding, to execute all applications, papers or instruments necessary or required by said assignees, their successors, assigns and legal representatives to carry into effect any of the provisions of this instrument, and generally to do everything possible to aid said assignees, their successors, assigns, and legal representatives to obtain and enforce proper patent protection for said inventions in any and all countries.
