ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, Hans Christian von der Wense of Ilmmuenster, Germany; Istvan Horvath of Torslanda, Sweden; and Antal Rajnak of Torslanda, Sweden have sold, assigned, and transferred, and do hereby sell, assign, and transfer unto Motorola, Inc., a corporation of the State of Delaware having its principal office in Schaumburg, State of Illinois, United States of America, and unto Volcano Communications Technologies AB, Gruvgatan 35A, 42130 V. Frölunda, Sweden (hereinafter collectively referred to as "Joint Assignees"), and their successors, assigns, and legal representatives, the entire right, title, and interest for the United States of America in and to certain inventions relating to improvements in METHOD FOR COMMUNICATING DATA ON A SERIAL BUS (Attorney Docket No. SC0299WM), described, illustrated, and claimed in an application for Letters Patent of the United States of America filed on May 04 2000, serial no. 09/564516, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and upon any division, extension, continuation, or reissue thereof.

We hereby also sell, assign, and transfer unto Joint Assignees, the entire right, title, and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the inventions and the applications for Letters Patent in foreign countries, and we further authorize Joint Assignees to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation, or reissue, to Joint Assignees, for the sole use and behalf of Joint Assignees, its successors, assigns, and legal representatives, to the full end of the term for which the Letters Patent may be granted, the same as they would

have been held and enjoyed by us had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to Joint Assignees.

We agree that, when requested, we will, without charge to Joint Assignees, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in Joint Assignees, its successors, assigns, and legal representatives or nominees.

We covenant with Joint Assignees, its successors, assigns, and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license, or other encumbrance.
