FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency, and adequacy of which are hereby acknowledged, Worldwide Container Services, Inc. ("the assignor") does hereby:

SELL, ASSIGN, AND TRANSFER to Samuel H. Jones (the "Assignee"), an individual, having a place of business at 13222 Reeveston, Houston, Texas 77039, all of its right, title, and interest for the United States and all other countries in and to U.S. Patent No. 6,010,176, entitled "Reversible Cover For Trucks, Trailers, and Other Vehicles," U.S. Patent Application Serial No. 09/358,095, a continuation application also entitled "Reversible Cover For Trucks, Trailers, and Other Vehicles," and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent which have been or shall be filed in the United States and all other countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all other countries on such improvements; specifically including the right to file such applications under the provisions of any convention or treaty and claim priority based on such application in the United States, and the right to any damages profits and costs, both in equity and law, for any infringement or infringements of U.S. Patent No. 6,010,176 accruing on or before the date of this Assignment;

AUTHORIZE AND REQUEST the issuing authority to issue any and all patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been or will be made to others by the assignor, and that the full right to convey the same as herein expressed is possessed by the undersigned; and

COVENANT that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to the patents and improvements in the Assignee, and for securing, maintaining, and enforcing proper patent protection for such improvements;

TO BE BINDING on the successors of the assignor and extend to the successors, assigns and nominees of the Assignee.
