SOLE ASSIGNMENT

THIS ASIGNMENT, made this 4 day of August, 2000, by Alexander C. Bristol (hereinafter referred to as the assignor), residing at 14231 SW 83St., Miami, Florida 33183 witnesseth:

WHEREAS, the said assignor is the sole owner of an invention set forth in an application for a Utility Patent of the United States for "NON-PROGRESSIVE TRIFOCAL OPHTHALMIC LENS" having a Declaration executed on an even date herewith; and

WHEREAS, Bristol C & D Inc., a company duly organized under and pursuant to the laws of Florida, and having its principal place of business at 14317 SW 142 Ave., Miami, Florida 33186 (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title, and interest in and to said invention and said Utility Patent of the United States which may be obtained:

NOW, THEREFORE, in consideration of Ten Dollars (\$10.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, the said assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above mentioned invention, and Utility Patent in the United States which may be obtained, and in and to any reissues or extensions of said Utility Patent, and all counterpart applications for patent in any foreign country, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for said invention and Utility Patent which may be obtained, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignor is the sole and lawful owner of the entire right, title and interest in and to the said invention and said Utility Patent which may be obtained, and that the same is unencumbered and that the said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that the said assignor will, whenever counsel of the said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or any patent which may be obtained, or any proceeding in connection with said invention in any country, including interference proceedings, is lawful and desirable, or any reissue or extension of any Utility Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Utility Patent for said invention, without charge to the said assignor, its successors, legal representatives and assigns, but at the cost and expense of the said assignee, its successors, legal representatives and assigns.

Signed at Miami, Florida, this 4 day of August, 2000.

Alexander C. Bristol
