ASSIGNMENT

1. We, the below named inventors, have made an invention entitled: DISTRIBUTED CRAWLING OF HYPERLINKED DOCUMENTS (Attorney Docket No. GP-008-00-US), for which we executed an application for United States Letters Patent concurrently herewith; and

2. Google, Inc., a California corporation whose post office address is 2400 Bayshore Parkway, Mountain View, California, 94043 ("Assignee"), desires to secure the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

3. For good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, we, as assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to (a) this invention, (b) provisional application Serial No. 60/195,581, filed April 6, 2000, (c) this application, (d) all divisions and continuations thereof, (e) all Letters Patent of the United States which may be granted thereon, (f) all reissues thereof, (g) all rights to claim priority on the basis of the above provisional application, (h) all rights to claim priority on the basis of this application, (i) all applications for Letters Patent which may hereafter be filed for this invention in any foreign country, and (j) all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof. Furthermore, we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

4. We covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed and will not execute any agreement in conflict with this Assignment;

5. We further covenant and agree that we will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors and assigns.
