Assignment of Letters Patent

WHEREAS, I, William P. Moore have invented certain new and useful improvements for which a LETTERS PATENT OF THE UNITED STATES, Number 6-045,810, has been duly issued on April 4, 2000, entitled "Reinforced-Resin Coated Plant Food Nutrients".

AND, WHEREAS, Agri-Nutrients Technology Group, Inc., a corporation organized and existing under the laws of the State of Virginia, hereinafter called the Assignee, is desirous of acquiring the entire right, title and interest in and to said invention within the United States of America and its territorial possessions and all foreign countries and the United States or foreign LETTERS PATENT granted therefor.

NOW, THIS INDENTURE WITNESSETH. That for and in consideration of the sum of One Dollar, in hand paid to me, and other good and valuable considerations, the receipt whereof is hereby acknowledged, I have assigned, sold and transferred, and do hereby assign, sell and transfer to the said Assignee the entire right, title and interest in and to the said invention, within the United States of America and its territorial possessions and all foreign countries and in and to the LETTERS PATENT of the United States and foreign countries and all divisions, reissues, continuations and extensions thereof that may be granted therefor, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to me by local laws or by treaty, including any international convention, for the protection of said U. S. LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America, all said rights to be held and enjoyed by the Assignee for its own use and behoof, and for the use and behoof of its successors or assigns, to the full end of the term for which said LETTERS PATENT was granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made. And I do hereby request and authorize the Commissioner of Patents, U. S. A., to record the assignment of this LETTERS PATENT, in accordance with this assignment.

In further consideration of said sum of One Dollar, and said other good and valuable consideration, to me paid, I covenant and agree with the Assignee that I have a full and unencumbered title to the invention hereby assigned, which title I warrant unto the Assignee.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal, this 31st day of July, 2000.

William P. Moore (SEAL)

Sealed and delivered in presence of,

Don D. Thompson
