ASSIGNMENT

WHEREAS we, (1) **Jonathan E. McCallum**, (2) **Brian J. Bruchal** and (3) **Murray C. Gerwing** have invented new and useful improvements in an invention entitled: **Variable Pitch Fan**, for which an application for United States Letters Patent, the specification of which was filed June 21, 2000 as application serial no. 09/602,604 and for which an application for Canadian Letters Patent was filed June 21, 2000, under serial no. 2,312,217. We hereby authorize Thompson Lambert to insert the serial number of the Canadian patent application when it is available.

AND WHEREAS **Flexxair Manufacturing Inc.**, an Alberta corporation, whose address is **10430 - 180 Street, Edmonton, Alberta, Cnaada, T5S 1C3**, (Assignee) has acquired from us the whole right, title, and interest for the United States of America and all other countries in the invention and in any Letters Patent that may be obtained for the invention and in the application,

NOW THEREFORE, in consideration of the sum of ten dollars, and other good and valuable consideration, the receipt of all of which is hereby acknowledged, we each by these presents confirm that we have each assigned to the Assignee and do hereby assign all of our interest in the invention in the United States of America and all other countries and all of our interest in any Letters Patent which may be granted for the invention, and all of our interest in the application, and in any divisions, continuations, continuations-in-part and extensions of the application.

We agree that we will without further consideration, but at the expense of Assignee, do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees and we authorize the Assignee to claim all rights of priority.
