ASSIGNMENT JOINT

THIS ASSIGNMENT, by Richard John NIGHY and James Harper WILCOX (hereinafter referred to as the assignors), residing at 3 Hanover Terrace, Camden, Bath, BA1 6LJ, UNITED KINGDOM and 2 Beech Tree Gardens, Tetbury, Gloucestershire, GL8 8TR, UNITED KINGDOM, respectively, witnesseth:

WHEREAS, said assignors have invented certain new and useful improvements in (FOR), set forth in an application for Design Patent of the United States, having an oath or declaration executed on even date; bearing Serial No. (Unassigned) and filed (herewith); and

WHEREAS, NOTETRY LIMITED, a corporation duly organized under and pursuant to the laws of the UNITED KINGDOM and having its principal place of business at Kingsmead Mill, Little Somerford, Wiltshire, SN15 5JN, UNITED KINGDOM (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said inventions and said application for Design Patent of the United States, and in and to any Design Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, application for Design Patent, and any and all Design Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said application, or reissues or extensions of said Design Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Design Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignors are the sole and lawful owners of the entire right, title and interest in and to said inventions and the application for Design Patent above-mentioned, and that the same are unencumbered and that said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Design Patent, or any proceeding in connection with Design Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Design Patent or any reissue or extension of any Design Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Design Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignors hereby request the Commissioner of Patents to issue said Design Patent of the United States to said assignee as the assignee of said inventions and the Design Patent to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.
