ASSIGNMENT

WHEREAS I, Cleo A. Hackney, hereinafter "Inventor", a citizen of the United States of America and residing at 1303 J.E. Woody Road, Springtown, Texas 76082, have made an invention in

"ABSORBENT PAD FOR TORSO AREA BENEATH BREASTS "

(hereinafter "invention") for which I have or will execute a utility application for Letters Patent of the United States of America based on my said invention (hereinafter said application executed is called "said utility application" and labeled Attorney Docket No. 99-1545); and

WHEREAS, Inventor seeks to diversify her interest in the invention and, accordingly, Inventor desires to make a partial assignment of interest in said invention as more fully described hereinafter;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy and sufficiency of which are hereby acknowledged, I have agreed to assign and transfer and do hereby assign and transfer an interest (as more fully described hereinafter) unto the following individual, (hereinafter called "Assignee"), her successors and assigns:

**Frances Victoria Russell
228 Highridge
DeSoto, Texas 75115**

Assignee shall be and hereby is assigned fifty percent (50%) of the right, title and interest in and to the said invention and said utility application, and in and to any division or continuation or continuation-in-part of said utility application, and in and to any and all improvements in the said invention made by me, and in and to any and all Letters Patent and reissues and extensions thereof of the United States of America and countries foreign thereto which have been or may be granted on said utility application or on any divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention or improvements thereon, to be held and enjoyed by said Inventor and

Assignee as fully and exclusively as if made by Inventor alone and this assignment and partial transfer had not been made;

I further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other lawful acts, as may be deemed necessary to fully secure Assignee's interest as aforesaid and to obtain or maintain Letters Patent in any and all countries consistent with this Assignment.

And I do hereby authorize and request any official whose duty it is to issue patents, to issue any and all patents as may be granted upon any of the aforesaid applications to Inventor and Assignee consistent with this assignment.

In witness whereof, I have hereunto signed my name on the day and year set forth below.

Cleo A. Hackney, Inventor

STATE OF TEXAS)
