TERMINATION OF ASSIGNMENT

I, James C. Roberts, hereby state that I am the owner of one-half undivided interest in a patent, entitled Brake Pulsing Apparatus, patent number 5,342,117, issued August 30, 1994. I further state that the co-inventor, Thomas D. Price and I do not have an agreement, written or verbal to unitize our ownership of said patent that would pertain to 35 USC 262 and that our ownership is independent of each other.

I, hereby, revoke and terminate a conditional assignment dated August 1, 1992, between Thomas D. Price and James C. Roberts, assignors and JPRT Corporation, assignee, pertaining to anti-lock brake systems and take back unto myself all of my rights and title of ownership of said invention. The conditions of the assignment state that after the term of five years and revocation, the rights and title shall revert to the owner for his use and behoof.

Signed this 4th day of August 1997.

ASSIGNMENT

This Assignment, made this 1st day of August, 1992, by and between Thomas D. Price and James C. Roberts (hereinafter referred to as the "assignors"), both residing in Norman, Oklahoma, and JPRT Corporation, a corporation organized and existing under the laws of the State of Oklahoma and having its principal place of business in Norman, Oklahoma (hereinafter referred to as "assignee").

Witnesseth.

Whereas, the said assignors have invented certain anti-lock brake systems set forth in an application for Letters Patent of the United States, previously executed; and,

Whereas, assignee is desirous of acquiring the entire exclusive right, title and interest in and to said inventions and said application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon for the time period described herein:

Now, Therefore, in consideration of Ten Dollars (\$10) and other good and valuable considerations, the receipt of which is hereby acknowledged, the said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above mentioned inventions, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all right under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, for the term of five (5) years, automatically renewable each successive year unless revoked by the assignors in writing at any time after the expiration of said five (5) year term, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

And for the same consideration, the said assignors hereby covenant and agree to and with the said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and the application for Letters Patent above mentioned, and that the same are unencumbered and that the said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.
