A S S I G N M E N T

WHEREAS, we, Sylvan R. Shemitz and Paul R. Ford, residing respectively at 35 Sunbrook Road, Woodbridge, Connecticut 06525, and 871 Indian Hill Road, Orange, Connecticut 06477, have made a design invention entitled:

## SINGLE-UNIT ASYMMETRIC DISTRIBUTION LUMINAIRE

and have made application for United States Letters Patent for a design patent therefor, the same being executed by us on even date herewith; and

WHEREAS, SYLVAN R. SHEMITZ DESIGNS, INC., a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 114 Orange Avenue, West Haven, Connecticut 06516, is desirous of acquiring the entire interest in said design invention, said United States design patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said SYLVAN R. SHEMITZ DESIGNS, INC., its successors, assigns and legal representatives, all right, title and interest in and to said design invention and any improvements thereon for all countries of the world, and in and to said United States design patent application, including any continuations and divisions thereof, and any substitute applications therefor, and including the right to claim priority under the International Convention based on said design

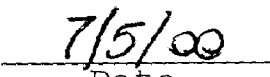

patent application, and any design patent which may issue thereon, and any reissues of the same; and all right, title and interest in and to every design patent application or design registration application filed or to be filed on said design invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all design patents or registrations which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all design patents or registrations on said design invention to the said SYLVAN R. SHEMITZ DESIGNS, INC. as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure design patent or registration protection on said design invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.
