ASSIGNMENT

WHEREAS, We, Carré Jean-Jacques & Cédric Leboisne have invented certain improvements in "Master cylinder with dynamically alterable hydraulic reaction" for which We are about to make application for Letters Patent of the United States ; and

WHEREAS, Bosch Systèmes de Freinage is desirous of acquiring an interest therein :

NOW, THEREFORE, in consideration of good and valuable considerations, the receipt of which is hereby acknowledged, We, Carré Jean-Jacques & Leboisne Cédric by the presents, do sell, assign and transfer unto said Bosch Systèmes de F²reinage the entire right, title and interest for the whole world including the territory of the United States of America, in and to said invention, as described in the specification executed by me on the 26 H day of Getober 1999, preparatory to obtaining Letters Patent of the United States therefor ; said invention, application and Letters Patent to be held and enjoyed by the said Bosch Systèmes de Freinage for its own use and behalf, and for its legal representative and assign to the full end of the term for which said Letters Patent may be granted, as fully and entirely as if the same would have been held by us had this assignment and sale not been made.

Executed at Drommy this 25 day of November 1999.
