* ASSIGNMENT OF PATENT APPLICATION

I/We the undersigned (each) have agreed and hereby agree to assign to ENHANCED OXIDATION TECHNOLOGIES, LLC, a Colorado corporation having a place of business at 274 Union Boulevard, Suite 353, Lakewood, Colorado 80228 (hereinafter ENHANCED), in furtherance of my/our obligations to ENHANCED and for other good and valuable consideration, the receipt of which is hereby acknowledged, and do hereby sell, assign and transfer to ENHANCED, its successors and assigns, the entire right, title and interest, including the right of priority, in, to and under an application for Letters Patent of the United States entitled: **OZONE ENHANCING SYSTEM**

Filing date: April 19, 2000 Serial No.: 09/552,640
and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (C-I-P's), divisionals, renewals of and substitutes for said application for Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and any reissues, or reexaminations, or extensions of said Letters Patents.

I/We additionally authorize ENHANCED to file applications in my/our name for Letters Patent in any country, to be held and enjoyed by ENHANCED, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me/us had this assignment, sale and transfer not been made;

AND I/we hereby covenant that I/we have full right to convey the entire interest herein assigned, and that I/we have not executed and will not execute any agreement in conflict herewith, and I/we further covenant and agree that I/we will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent, to ENHANCED, its successors, assigns, nominees or legal representatives, and I/we agree to communicate to ENHANCED, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application and said Letters Patents, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid ENHANCED, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own behalf, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by ENHANCED;

AND I/we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to ENHANCED, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

I/we further authorize and direct ENHANCED attorneys to insert the serial number and filing date of said application now identified by the attorney docket number and title set forth above as soon as the same shall have been made known to them by the United States Patent and Trademark Office.

For the consideration set forth above and other good and valuable consideration, the receipt of which is hereby acknowledged, I/we also hereby assign to ENHANCED all of my/our rights, title and interest in and to all works of authorship embodied within said OZONE ENHANCING SYSTEM without restriction and any derivations/modifications thereof including, without limitation, all rights of authorship, including copyright, associated therewith. In accordance with the assignment of rights set forth above, I/we further agree without requiring payment of additional consideration to execute any subsequent documents necessary to perfect the rights of ENHANCED or its assignees in such works of authorship, including any additional assignments and applications for federal copyright registrations.
