Attorney Docket No. 705740US1JRY**ASSIGNMENT**I, **Herbert Wieszt of Grafenau, Germany,**

have invented a new and useful process, machine, manufacture, composition of matter, or an improvement thereof, entitled:

**METHOD FOR MONITORING THE REFRIGERANT LEVEL
IN AN AIR CONDITIONER**

for which I have executed an application for Letters Patent of the United States on
August 8, 2000.

DaimlerChrysler AG having a principal place of business at Stuttgart, Germany, desires to acquire the entire right, title, and interest in the invention and under the Letters Patent, and similar protection to be obtained, worldwide.

In consideration of the payment by DaimlerChrysler AG to me of the sum of \$1.00 and other good and valuable consideration, receipt being acknowledged, I sell, assign, and transfer unto DaimlerChrysler AG, my full and entire right, title, and interest in the invention worldwide and to all Letters Patent or similar legal protection to be obtained for the invention worldwide by the application or any continuation, division, renewal, substitute, re-examination, reissue, or any legal equivalent, for the full term or terms that may be granted.

I authorize my attorneys, authorized to prosecute said application, to insert the filing date and Serial Number of the application, to wit, Serial No., 09/618,517, filed July 18, 2000. I authorize and request the Commissioner of Patents to issue all Letters Patent of the United States to DaimlerChrysler AG.

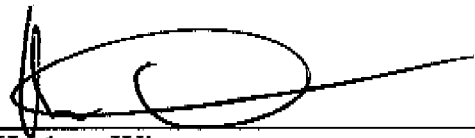

I warrant that I have the right to sell, assign, and transfer my full and entire right, title, and interest in the invention and that no assignment, sale, agreement, or encumbrance has been or will be made or entered into that will conflict with this sale, assignment, and transfer.

I further agree to communicate to DaimlerChrysler AG or its representatives, any facts known to me respecting the invention, testify in any legal proceedings relating to the invention when called upon, and sign all instruments and documents and render such assistance which, in the judgment of DaimlerChrysler AG, is necessary to vest in it and protect the legal right, title, and interest assigned in this Assignment.

This Assignment will be binding on my heirs and legal representatives.
