Assignment of Invention and Patent Application

For value received,

Richard A. Baker of Palo Alto, California

(hereinafter assignor) hereby assigns, transfers and sets over unto

Membrane Technology & Research, Inc. of Menlo Park, California

and his or her successors or assigns (hereinafter assignee), 100% of the following:

A) Assignor's right, title and interest in and to the invention entitled

" Selective Purge for Catalytic Reformer Recycle Loop "

invented by assignor;

B) The application for United States Patent therefor, signed by assignor

Richard W. Baker on May 22, 1998

U.S. Patent and Trademark Office Serial Number

09/083,653 Filing Date May 22, 1998

C) Any patent or any reissues of any patent that may be granted thereon; and

D) Any applications that are continuations, continuations-in-part, substitutes or divisions of said application.

Assignor authorizes assignee to enter the date of signature and/or serial number and filing date in the spaces above. Assignor also authorizes and requests the Commissioner of Patents and Trademarks to issue any resulting patent(s) as follows: 100% to assignee and 0% to assignor. (The singular shall include the plural and vice versa.)

Assignor hereby further sells, assigns, transfers and sets over unto assignee, the above percentage of assignor's entire right, title and interest in and to said invention in each and every country foreign to the United States. Assignor further conveys to assignee the above percentage of all priority rights resulting from the above-identified application for United States patent.

Assignor agrees to execute all papers, give any required testimony and perform other lawful acts, at assignees expense, as assignee may require to enable assignee to perfect assignee's interest in any resulting patent of the United States and countries foreign thereto, and to acquire, hold, enforce, convey and uphold the validity of said patent and reissues and extensions thereof, and assignees interest therein.

In testimony whereof, assignor has hereunto set its hand and seal on the date below.

Richard W. Baker

State: California

Before me, the undersigned authority, on this day personally appeared

Richard W. Baker

known to me to be the person whose name is subscribed on the foregoing instrument and acknowledged to me that he executed the same for the purposes and consideration therein expressed.
