ASSIGNMENT

WHEREAS I, **Dov Z. Glucksman** of **137 Larch Row, Wenham, Massachusetts 01984**, a citizen of the **United States of America** (hereinafter called **Assignor**) have invented certain new and useful improvements in A **VAPOR GENERATOR** for which an application for United States Letters Patent was filed on May 16, 2000, Serial No. 09/571,231; and

WHEREAS **Appliance Development Corporation**, a corporation duly organized under the Laws of the , located at **130 Centre Street, Danvers, Massachusetts, County of Essex, Massachusetts**, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in consideration of Ten (\$10.00) Dollars, the receipt of which is hereby acknowledged, and other good and valuable consideration, **Assignor** has sold, assigned and transferred and by these presents does sell, assign and transfer unto the said **Appliance Development Corporation**, its successors and assigns, the full and exclusive right, title and interest in and to said invention and in and to said patent application in the United States of America and its territorial possessions and in any and all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States of America or in any and all said foreign countries and in and to any and all divisions, continuations, renewals, substitutions or reissues, and extensions thereof for the full term or terms for which the same may be granted;

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

Assignor hereby authorizes and requests the Patent and Trademark Office officials in the United States of America and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said **Appliance Development Corporation** as the assignee of **Assignor's** entire right, title and interest in and to the same for the sole use and behoof of said **Appliance Development Corporation**, its successors and assigns, to the full end of the term for which any of said Letters Patent may be granted as fully and entirely as the same would have been held by **Assignor** had this assignment and sale not been made;

Further, **Assignor** agrees to communicate to **Appliance Development Corporation** or its representatives any facts known to **Assignor** respecting said invention, to testify in any legal proceeding, to sign all lawful papers, to execute all divisional, continuation, substitution, renewal and reissue applications, to execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said **Appliance Development Corporation**, to make all rightful oaths and generally to do everything possible to aid said **Appliance Development Corporation**, its successors and assigns to obtain and enforce proper protection for said invention in the United States of America and in any and all foreign countries without further compensation, but at the expense of **Appliance Development Corporation**, its successors, assigns or other legal representatives; and

Assignor hereby appoints the Secretary or any other officer of **Appliance Development Corporation** as **Assignor's** attorney-in-fact and agent to execute all documents required or appropriate to perfect or enforce all rights assigned under this Agreement and further authorizes **Assignor's** attorney and attorneys and the attorney and attorneys for **Appliance Development Corporation** to register this assignment in any and all countries.
