ASSIGNMENT

In consideration of ONE DOLLAR and other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, we, John Rose and Ron Sauer, presently residing at: 1941 S.W. 60th Avenue, Plantation, Florida 33317, and 8480 S.W. 161st Place, Miami, Florida 33193, hereby assign to Neich Medical Co., Ltd. (hereinafter referred to as "Assignee"), an individual, partnership, sole proprietorship or a corporation of _____, residing or having its principal place of business at 25th Floor, Cindic Tower, 128 Gloucester Rd., Hong Kong, its successors, legal representatives and assigns, the entire right, title and interest in the United States in our invention or improvements in _____
DUAL-WING CATHETER HUB

and in the application for Letters Patent of the United States therefor, executed by us on the 12th & 13th day of Sept., 2000, and any and all other United States applications which _____ file, either solely or jointly with another on said invention or improvement, and in any and all Letters Patent of the United States which may be obtained on any of the said application, and in any reissue, re-examination or extension hereof.

We hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Neich Medical Co., Ltd.

We hereby authorize and request the attorneys of record in said application to insert in this Assignment the filing date and Serial Number of said application when officially know.

We warrant ourselves to be the owner of the interest herein assigned, and to have the right to make this assignment; and we further warrant that there are no outstanding prior assignments, licenses or other rights in the interest herein assigned.

For said consideration, we hereby agree, upon request of said Assignee, its successors, legal representatives and assigns to execute any and all divisional or continuation applications for said invention or improvements thereto, and any necessary oath or declaration or supplemental oath or declaration or affidavit relating thereto, and any application for the reissue, renewal, extension or re-examination of any Letters Patent that may be granted upon said application, that said Assignee, its successors, legal representatives and assigns may deem necessary or expedient; and for said considerations we further agree upon the request of said Assignee, its successors, legal representatives and assigns, in the event of said application or any division thereof, or Letters Patent issued thereon, becoming involved in Interference, or in a request for re-examination, to cooperate to the best of our ability with said Assignee, its successors, legal representatives and assigns in the matter of assisting in the re-examination proceedings, and for said consideration, we further agree to perform, upon such requests, any and all affirmative acts to obtain said Letters Patent, and to vest all rights therein hereby conveyed in the said Assignee, its successors, legal representatives and assigns, whereby said Letters Patent will be held and enjoyed by said Assignee, its successors, legal representatives and assigns to the end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made, including the

right to sue for past infringement, and for said consideration we hereby also assign to said Assignee, its successors, legal representatives and assigns the entire right, title and interest in said invention or improvements thereto for any and all foreign countries and our right to claim priority from U.S. Application Serial No. _____ filed _____, under the International Convention for the Protection of Industrial Property or other multinational convention, for any patent, utility model or industrial design application filed in a country which is a member of any applicable international convention for the protection of industrial property and/or under any internal priority legislation of such country; and for said consideration we hereby further agree upon the request of said Assignee, its successors, legal representatives and assigns to execute any and all documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent, Petty Patent, Utility Model application, patents, utility model registrations or individual design registrations in said Assignee.

WITNESS, our hand(s) and seal(s) this 13th day of Sept., 2000.
