ASSIGNMENT

For good and valuable consideration, We, Paul D. PERRY, residing at 82 Gladstone Avenue, Chatham, Ontario, CANADA, a citizen of Canada; and John A. GURD, residing at 521 Dora Drive, Wallaceburg, Ontario, CANADA, a citizen of Canada;

Hereby sell, assign and transfer to Siemens Canada Limited, a corporation organized and existing under the federal laws of Canada, having its principal place of business at 2185 Derry Road West, Mississauga, Ontario, Canada L5N 7A6, hereinafter "Assignee," its successors, assigns and legal representatives, the entire right, title and interest in and for the United States of America and all foreign countries, in and to any and all improvements that are disclosed in the application for United States Letters Patent, which has been executed by the undersigned on August 14, 2000, and is entitled:

CONNECTION BETWEEN AN INTEGRATED PRESSURE MANAGEMENT APPARATUS AND A VAPOR COLLECTION CANISTER

and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States of America and all foreign countries on any of said improvements; and in and to all original and reissued patents that have been or shall be filed in the United States of America and all foreign countries on said improvements;

Agree that Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee, its successors, assigns and legal representatives, all facts known to the undersigned relating to said improvements and the

history thereof; and generally do everything possible that Assignee, its successors, assigns and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements in Assignee, its successors, assigns and legal representatives; and

Covenant with Assignee, its successors, assigns and legal representatives, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
