ASSIGNMENT

WHEREAS I, John A. Siemon of Woodbury in the County of Litchfield and the State of Connecticut; have invented certain new and useful improvements in:

CONNECTING BLOCK WITH STAGGERED IDCs

for which I have filed an application for Letters Patent of the United States;

AND WHEREAS, THE SIEMON COMPANY a corporation organized and existing under the laws of the State of Connecticut, having a place of business at 76 Westbury Park Road, Watertown, Connecticut 06795; is desirous of acquiring an interest in the United States and all foreign countries, in and to the said invention and the Letters Patent to be obtained therefor;

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for and in consideration of one (\$1.00) dollar to me in hand paid, and other good and valuable considerations, the receipt of all of which is hereby acknowledged, I, the said John A. Siemon have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said THE SIEMON COMPANY the entire right, title and interest in and to said invention in the United States and in all foreign countries, including priority rights, as fully set forth and described in said application; and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent on said application and any and all Letters Patent that may be issued upon any and all revivals, re filings, continuations, continuation-in-part, divisions and reissues thereof, to the said THE SIEMON COMPANY as assignee of the entire right, title and interest in and to the same, for the sole use and behoof of THE SIEMON COMPANY its successors and assigns; and I will execute all papers necessary in connection with the United States applications and foreign applications when called upon to do so by the said THE SIEMON COMPANY its successors or assigns, and that I will, at the cost and expense of the said THE SIEMON COMPANY fully assist and cooperate in all matters in connection with the United States and foreign applications and patents issuing thereon.

The undersigned declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
