ASSIGNMENT

Whereas, David I. Durst of 35 Kathleen Drive, Syosset, NY 11791, referred to as applicant, has invented new and useful improvements described in a patent application entitled: **AUTHENTICATION METHOD AND SYSTEM**

which was filed on May 24, 2000 as application Serial No. 09/577959

Whereas, Tracer Detection Technology Corp., referred to herein as assignee, a corporation of New York, located at 235-0 Robbins Lane, Syosset, NY 11791, is desirous of acquiring the entire right, title, and interest in the same;

Now, therefore, in consideration of the sum of one dollar (\$1.00), the receipt of whereof is acknowledged, and other good and valuable consideration, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and in all other countries and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States and in all other countries, and my/our entire right, title, and interest in and to all my/our inventions, whether joint or sole, disclosed in said application for Letters Patent, and in and to all regular utility applications, divisional or continuation applications or continuation-in-part applications that may be filed for United States Letters Patent for any of said inventions, or any patent application inside or outside the United States claiming benefit of priority of this application and in and to all patents that may be granted on the foregoing applications, and I/we hereby agree, whenever requested, to communicate to said assignee, its successors and assigns, any facts known to me/us respecting said inventions and to execute all applications or papers necessary to obtain and maintain proper patent protection on said inventions.

I hereby authorize and request the Commissioner of Patents to issue said Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.
