Four Step Discrete Phase Shift Demodulation Method
For Fiber Optic Sensor Arrays

☒ for which an application for a United States Patent was filed on July 30, 1999

Application Number 09/364,396

☒ for which an application for a United States Patent was executed on Sept. 16, 1999 and

Whereas, I/we verily believe ourselves to be the original and first inventors of the invention set forth in said application for Letters Patent and represent that I/we have not previously conveyed or hypothecated any right or interest therein, and

Whereas, LITTON SYSTEMS, INC., a corporation of the State of Delaware, sometimes hereinafter referred to as "said assignee", having a principal place of business at 21240 Burbank Boulevard, Woodland Hills, CA 91367-6675 is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, any and all patent applications which may be filed thereon, and any and all Letters Patent which may be granted or issued therefor in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing:

NOW, THEREFORE, in consideration of obligations voluntarily assumed by me/us and set forth in employment agreements that each of me/us entered into between me/us and said assignee at Woodland Hills, California and for the further consideration of the sum of One Dollar (\$ 1.00) paid to each of me, receipt of which is hereby acknowledged, I/we do hereby sell, assign, transfer and set over unto said assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith, to the full end of the term for which said Patent(s) may be granted, as fully and entirely as the same would have been held by me/us had this assignment and sale not been made; and I/we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and duly constituted authorities of foreign countries to issue all Letters Patent relating to the foregoing assigned rights to said assignee, its successors and assigns.
