ASSIGNMENT OF PATENT APPLICATIONS

WHEREAS, C.W. Over Technologies, Inc., whose full post office address is 2 Bush Chapel Road, Aberdeen Maryland, 21001, U.S.A. is the owner of the entire right, title and interest in and to said inventions as set forth in the applications for United States Letters Patent listed on Attachment A;

AND WHEREAS, C.W. Over Solutions Inc., a corporation of Aberdeen, Maryland, and having an address of 2 Bush Chapel Road, Aberdeen, Maryland, 21001, U.S.A. is desirous of acquiring the entire right, title and interest in and to said patent applications listed on Attachment A, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto C. W. Over Solutions, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in Attachment A, including any non-provisional applications, continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

The undersigned hereby grant(s) the firm of HALE AND DORR, LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document;

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said C. W. Over Solutions, Inc., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
