ASSIGNMENT

This Assignment is made by DEBORAH A. HINTON, an individual of Jacksonville, Florida, and by JERI J. GREENE, an individual of Green Cove Springs, Florida, (hereinafter singly and jointly referred to as "Assignor"), to PMS MOOD FOOD, INC., a Florida corporation (hereinafter referred to as "Assignee").

This Assignment is made with reference to the following facts:

A. The above two individuals who are the Assignor party are the sole owners of U.S. Patent Application Serial No. 09/345,957 filed on or about July 1, 1999 at the U.S. Patent and Trademark Office for an invention titled DIETARY SUPPLEMENTS AND FOOD PRODUCTS FOR TREATING SYMPTOMS OF PMS, as well as being the sole owners of U.S. Provisional Patent Application Serial No. 60/091,459 filed on or about July 1, 1998, from which Provisional Patent Application the above Patent Application Serial No. 09/345,957 claims priority (both such applications hereinafter singly and jointly referred to as "Patent Application").

B. Assignor desires to transfer and convey to Assignee, and Assignee desires to receive and acquire from Assignor, the entirety of Assignor's right, title, and interest in and to the Patent Application and to any and all patents issuing therefrom.

NOW THEREFORE, for and in consideration of the sum of five dollars (\$5.00) cash in hand paid by Assignee to Assignor, and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged by Assignor, Assignor does hereby and herewith assign, transfer, sell, and convey to Assignee all of Assignor's right, title, and interest in and to the Patent Application and to any and all patents issuing therefrom, and to any and all continuations, continuations-in-part and divisions thereof, and to the invention shown and described in the Patent Application, together with any and all reissues of any or all patents issuing from the Patent Application, all to have and to hold for the sole and exclusive use and benefit of Assignee, its successors and assigns, to the full end of the term or terms of any and all patents issuing from the Patent Application, to be held and enjoyed by Assignee (and by Assignee's successors and assigns) to the end of the term or terms for which all or any of the patents issuing from the Patent Application are granted or reissued, and any extensions thereof, as fully and entirely as same would have been held and enjoyed by Assignor if this assignment had not been made, together with all claims for damages and profits by reason of past infringement of all or any patents issuing from the Patent Application, with the right to sue for and collect same for Assignee's own use (and for the use of Assignee's successors and assigns).

Page One of Three

Assignor covenants and agrees that they (and each of them) will at any time on request execute and deliver to Assignee any and all documents and papers as may be necessary or desireable to perfect in Assignee the interests herein conveyed, and further covenants and agrees that they (and each of them) will communicate and cooperate with Assignee to the extent necessary for Assignee to have and enjoy to the fullest extent the interests herein conveyed.

IN WITNESS WHEREOF, each of the said Assignor parties has hereunto set her hand and seal on the date first above written:
