WHEREAS, we, John F. Dunne and Perry Haaland, residing respectively, at 6928 Calle Altamira, Pleasanton, California 94566, USA and 8914 Laurel Springs Drive, Chapel Hill, North Carolina 27516, USA, have made an invention entitled:

APPARATUS AND METHODS FOR DRUG ANALYSIS AND DEVELOPMENT

and have made an application for United States Letters Patent therefor filed September 8, 2000 and assigned Serial No. 09/657,644; and

WHEREAS, BECTON DICKINSON AND COMPANY, a corporation organized and existing under the laws of the State of New Jersey and having an address of 1 Becton Drive, Franklin Lakes, New Jersey 07417, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said BECTON DICKINSON AND COMPANY, its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereof for all countries of the world, and in and to said United States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and including the right to claim priority under the International Convention based on said patent application, and any patent which may issue thereon, and any reissues of the same; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other

country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same;

and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said BECTON DICKINSON AND COMPANY as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names and affixed our seals on the dates indicated hereinafter.
