U. S. DEPARTMENT OF ENERGY
PATENT ASSIGNMENT FORM

WHEREAS, I Richard A. Griesau

_____, a citizen of the United States residing
in Scotia, County of Schenectady,
State of New York, have invented certain new and useful
improvements in CONTAINER COVER CLOSURE APPARATUS

for which I am about to file an application for United States Letters Patent identified
as S-82,905; and; executed by me on 2/11/99, and;

WHEREAS, the Government of the United States desires to acquire the entire right,
title and interest in and to the said invention and in and to any Letters Patent wherever they
may be issued thereon;

NOW, THEREFORE, to all whom it may concern, be it known that for and in
consideration of the sum of One Dollar to me in hand paid by the Government of the
United States, and for other good and valuable consideration, the receipt of which is hereby
acknowledged, I by these presents do sell, assign and transfer unto the said Government of the
United States, as represented by the United States Department of Energy, the entire right, title,
and interest in and to the said invention and in and to any and all Letters Patent wherever they may
be granted thereon as well as reissues and extensions of said Letters Patent, the same to be
held and enjoyed by the said Government of the United States or its assigns to the full end of the
term or terms for which Letters Patent are or may be granted, reissued, or extended, as fully and
entirely as the same would have been held or enjoyed by me had this assignment not been made.

I agree to make, execute, and deliver unto the Government of the United States, or
to the United States Department of Energy, any and all papers, documents, affidavits, renewal,
divisional and reissue applications, statements, or other instruments in such usual or other
forms, with terms and contents as may be required by the United States Department of Energy, or
its duly authorized representative, in or incident to the prosecution or conduct of any and all
applications, before as well as after the issuance of any Letters Patent thereon, or in the adjust-
ment or settlement of any interferences or other actions or proceedings that said applications may
encounter or in which they may become involved, and I agree that I will aid the Government of
the United States in every way in protecting the invention as may be requested by the United
States Department of Energy, except that any expenses arising through extending such assistance
will be paid for by proper arrangement with the Government of the United States.
