("Corporation"), its successors, assigns, nominees or other legal representatives, the entire right, title and interest in and to the invention and design, CHAIR DESIGN (I), which has been assigned application Serial No. 29/128,829 and a filing date of August 30, 2000, invented by me and filed concurrently herewith, and the application for United States patent therefor, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject-matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents, Design Registrations, and Utility Model Registrations which may be granted thereon in such foreign countries, and authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent, Design Registrations, or Utility Model Registration to the said Ivan Carlson & Assoc., Inc., its successors, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned.

I covenant that I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to said Corporation, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when said Corporation, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer.

I further covenant and agree that I will, at any time upon request, do everything legally possible to aid said Corporation, its successors, assignees, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent, Design Registration, and/or Utility Model protection for said invention in all countries, all without further consideration but at the expense of said Corporation, its successors, assigns, nominees, or other legal representatives.
