ASSIGNMENT

Whereas, I,

Robbie Thielemans
of Waregemstraat 267
B-8540 Deerlijk
Belgium,

have invented certain improvements in a

Method and device for adjusting one or more projectors

and executed, respectively, a United States patent application therefor on 1 June 2000, serial number 09/555,614;

Whereas, Barco N. V. in accordance with Belgian law, at Frankrijklaan 18, B-8970 Poperinge, Belgium (hereinafter called Barco) desires to acquire the entire right, title and interest in the said application and invention, and to any United States and foreign patents to be obtained therefor;

Now therefore, for a valuable consideration, receipt whereof is hereby acknowledged, I, the above named, hereby sell, assign, and transfer to Barco, its successors and assigns, the entire right, title and interest in the said application and invention therein disclosed for the United States and foreign countries, and all the rights of priority resulting from the filing of said United States application, and we request the Commissioner of Patents to issue any Letters Patent granted upon the invention set forth in said application to Barco, its successors and assigns; and we hereby agree that Barco may apply for foreign Letters Patent on said invention and we will execute all papers necessary in connection with the United States and foreign applications when called upon to do so by Barco.

Signed at 5-06-2000 on, 2000.
