ASSIGNMENT

This Assignment is made by ERIC B. CARMICHAEL, an individual, of Solana Beach, CA, Assignor; to BRETT P. SEBER, an individual, having a residence address of 650 Sheridan Ave., Escondido, CA 92026, Assignee.

WHEREAS, Assignor has co-invented with Assignee a new and useful invention entitled SELF-ADJUSTING PLIERS, for which an application for United States Letters Patent has been filed on June 14, 2000, as Application No. 09/594,191; and

WHEREAS, Assignor believes himself to be the original, first and joint inventor, with Assignee, of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest of Assignor in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, his entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application and any Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein. Assignor further represents and warrants that he has not performed, and will not perform, any act inconsistent with the assigning of the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks

of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date indicated.

Assignor:
