

## ASSIGNMENT

---

WHEREAS, I, **Stephen Barnhill**, a citizen of the United States of America, residing at 19 Mad Turkey Crossing, Savannah, Georgia, along with **Isabelle Guyon**, a citizen of France, residing at, 955 Creston Road, Berkeley, California and **Jason Weston**, a citizen of the United Kingdom, residing at 34 East 7th Street, Apartment 2B, New York, New York, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled “**Methods of Identifying Patterns in Biological Systems and Uses Thereof**” filed in the U.S. Patent & Trademark Office on August 7, 2000; and

WHEREAS, **Barnhill Technologies, LLC**, a limited liability company of the State of Georgia having a principal place of business at 6709 Waters Avenue, Savannah, Georgia, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) and other good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, I, **Stephen Barnhill**, by these presents do sell, assign and transfer unto **Barnhill Technologies, LLC**, the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **Barnhill Technologies, LLC**, as the assignee, for its interest and for the sole use and benefit of **Barnhill Technologies, LLC** and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **Barnhill Technologies, LLC**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights

granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Barnhill Technologies, LLC**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Barnhill Technologies, LLC**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
