# **DESIGN PATENT ASSIGNMENT**

---

This assignment is made on the date indicated below by Ted J. Brackett of Manhattan Beach, California, C. Martin Smith of Los Angeles, California, and Mark Anderson of Woodland Hills, California (collectively, Assignors), on the one hand, to Dynamic Cleaning Technologies LLC (Assignee), having a place of business at 10978 Ayres Avenue, Los Angeles, California 90064, on the other hand;

WHEREAS, Assignors have invented a new, original, and ornamental design entitled **PAINT BRUSH CLEANING DEVICE** (Design(s)), for which a United States Design Patent application will be filed, identified by their attorneys', Cislo & Thomas LLP's, docket no. D-8525 (Design Patent Application);

WHEREAS, Assignors believe themselves to be the original, first, and sole inventors of the Design(s) disclosed and claimed in said Design Patent Application; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title, and interest in and to said Design(s) and said Design Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, the entire right, title, and interest in and to said Design(s) and said Design

Patent Application for said Design(s) in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Design Patent Application in the United States and throughout the world for said Design(s), and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Design(s), and said Design Patent Application filed, and any patents granted for said Design(s) in the United States or throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

///

///

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Design Letters Patent granted for said Design(s), whether on said Design Patent Application or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said Design(s).

IN WITNESS WHEREOF, Assignors have executed this Assignment on the date first above written and as set forth below.
