## A S S I G N M E N T

WHEREAS, we, Stephen C. Jacobsen, resident of the state of Utah, whose postal mailing address is 274 South 1200 East, Salt Lake City, Utah 84102; and Clark Davis, resident of the state of Utah, whose postal mailing address is 4564 Wallace Lane, Salt Lake City, Utah 84117; respectively, have invented a certain new and useful improvement(s) in a EMBOLIC DEVICE COMPOSED OF A LINEAR SEQUENCE OF MINIATURE BEADS for which an application for United States Letters Patent was filed on June 6, 2000 and given U.S. Patent Application No. 09/588,251; and

WHEREAS, SARCOS LC, a Utah corporation, having a business address of 360 Wakara Way, Salt Lake City, Utah 84108, is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to us by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, we hereby grant and assign unto said SARCOS LC, our entire right, title and interest in said invention(s) and in the above identified United States Patent Application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted

thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries; the right, power and authority to file foreign patent applications on said invention(s) in its own name, wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention(s) in its own name, including past infringement, in any jurisdiction.

We hereby agree, without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following: prompt execution of all original, divisional, substitution, reissue, and other United States and foreign patent applications on said invention(s), and all lawful documents as requested by the Assignee to further the prosecution of any of such patent applications; cooperation to the best of our ability including, but not limited to, the execution of all lawful documents, the production of evidence in any actions or proceedings concerning the invention(s), including, but not limited to, nullification, reissuing, extension, and infringement proceedings involving said invention.

This assignment and agreement shall be binding upon our heirs and legal representatives.

We hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws

to issue said Letters Patent to said SARCOS, LC as the assignee of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.
