PATENT ASSIGNMENT

We, Dr. Joel K. Weltman residing in Barrington, Rhode Island and Dr. Aftab S. Karim residing in Fayetteville, Arkansas, (hereinafter referred to as "Assignors"), owners of United States Patent entitled, "Inhibition of Expression of Interleukin-5", Patent application no. USSN09/079,839 do hereby sell, assign and transfer to the Itox Corporation a corporation organized and existing under the laws of the State of Rhode Island and having its principal place of business at 4 Wildacre Lane, Barrington, Rhode Island (hereinafter referred to as "Assignee, in consideration of Ten Dollars (\$10.00), and other good and valuable consideration, the receipt of which is hereby acknowledged,

all of Assignors' entire right, title and interest, for the United States of America and its possessions and territories in and to the said U.S. patent and the underlying inventions described and/or claimed therein and the application upon which the patent issued as well as all related U.S. (And PCT with U.S. designation) patent applications, including the right to sue and collect damages for past infringement thereof, if any,

and all of Assignors' right, title and interest in any and for all foreign countries, in and to said inventions, including all rights of priority created and conferred by any treaty or international convention which is available in connection with said inventions,

including the right to apply for and prosecute applications to obtain further patent rights, U.S. or foreign, and in any continuations, divisions, substitutes, renewals, reissues or other applications to be filed or already filed in the U.S. or abroad (including multinational filing arrangements of all kinds), and in any U.S. or foreign patents issued on any such applications and reissues, extensions and renewals thereof, to be held and enjoyed by Assignee, for its own use and behalf and for its successors and assigns, to the full ends of the terms or extended terms for which any Letters Patents or the like may be granted, as fully and entirely as the same would have been held by Assignors had this sale, assignment and transfer not been made.

Assignors represents, warrant and covenant to Assignee, its successors, and assigns that Assignors have full right to convey all interests herein assigned and have not executed any agreement or conveyance in conflict herewith and will not execute any agreement or conveyance.

Assignors further covenant and agree to communicate to Assignee, its successors, legal representatives and assigns, any facts known to Assignors respecting said inventions, and testify in any legal proceeding, sign all lawful papers, including, without limitation, application papers, declarations, and other instruments, execute all divisional, continuing, substitute, reissue, renewal and foreign applications and petitions and responses in connection with any reexamination, opposition or cancellation proceedings, make all truthful oaths, declarations and

statements, and generally do everything reasonably requested of Assignors by Assignee, or its successors or assigns to aid Assignee, its successors or assigns, to obtain, enforce and/or exploit rights in said inventions consistent with the letter and spirit of this Assignment.
