ASSIGNMENT

WHEREAS, Paul A. Pezzoli of Cota de Caza, California, and Thomas W. Osip of Mission Viejo, California, Assignors, have designed a new and useful design for DISPENSING BOTTLE, for which an application for United States Design Letters Patent was executed by them on or about the same date as this Assignment; and

WHEREAS, Assignors believe themselves to be the original, first and sole inventors of the design disclosed and claimed in the application for Letters Patent; and

WHEREAS, ConAgra Grocery Products Company, a California corporation, having a place of business at 1645 W. Valencia Drive, Fullerton, CA 92833, Assignee, desires to acquire by formal, recordable assignment the entire right, title and interest in and to the design, the application, and any Design Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to the design, the application, and any Design Letters Patent that might be granted for the design in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be

necessary or desirable for obtaining, sustaining, reissuing or enforcing Design Letters Patent in the United States and throughout the world for the design, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the design, the application, and any Design Letters Patent granted for the design in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Design Letters Patent granted for the design, whether on the application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the design.

Assignors further authorize and request insertion below of the serial number and filing date of the application, when officially known:

Serial No. 29/128,180 Filing Date August 18, 2000

IN WITNESS WHEREOF, Assignors have executed this Assignment.
