Atty. Docket No. 30585/28-0053BS

ASSIGNMENT**WHEREAS:**

John S. Yates, Jr., 40 Pine Street, Needham, MA 02492

Matthew F. Storch, Ph.D., 100 Horgan Ave., Redwood City, CA 94061

Sandeep Nijhawan, 3591 Townsquare Drive, San Jose, CA 95127

Dale R. Jurich, 211 Bacigalupi Drive, Los Gatos, CA 95032

(hereinafter "Assignor(s)") have made an invention or discovery entitled COMPUTER WITH TWO OPERATING SYSTEMS for which application for Letters Patent of the United States has been executed on even date herewith (hereinafter "the invention");

WHEREAS ATI International SRL, organized under the laws of Barbados, having an office at Beaumont House, Hastings, Christ Church, Barbados, W.I. (hereinafter "Assignee") desires to acquire the entire interest in the invention;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and of other good and valuable consideration paid to the undersigned by the Assignee, the receipt whereof is hereby acknowledged, Assignor(s) by these presents hereby sells, assigns, transfers, and sets over unto Assignee the entire right, title, and interest in and to the invention or improvement, any patent, any and all forms of legal protection for any invention disclosed in the application first referenced above, any interest in any inventions, ideas, designs, architectures, computer hardware, software or data disclosed therein and any improvements thereto, any patent application relating to any of the foregoing and any and all Letters Patent that may be granted thereon, in and for the United States or any foreign country, including any continuation, division, renewal, extension, substitute, or reissue thereof, all treaty and convention rights, rights of priority arising from the aforesaid application(s), and the right to sue for past, present, and future infringement, the same to be held and enjoyed by Assignee, its successors, assigns, or other legal representatives, to the full ends of the terms for which all Letters Patents therefor may be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

Assignor(s) hereby authorize Assignee to make application for and to receive Letters Patent for the invention in any of said countries at its election. Assignor(s) hereby authorize and request the Commissioner for Patents of the United States, and any official of any country whose duty it is to issue Letters Patent on applications, to issue all such Letters Patent for the invention to Assignee, as assignee of the entire right, title and interest in, to and under the same.

Assignor(s) covenant to execute or procure any further necessary assurance of title to the invention and Letters Patent; and at any time, upon the request and at the expense of Assignee, to execute and deliver any and all papers, and do all lawful acts that may be necessary or desirable to perfect the title to the invention or any Letters Patent that may be granted therefor in Assignee, its successors, assigns, or other legal representatives; and, upon the request and at the expense of Assignee, to execute any additional or divisional, continuation, reissue, or reexamination applications for patents for the invention, or any part or parts thereof, and to make all rightful oaths and do all lawful acts requisite for procuring and enforcing proper patent protection for the invention, without further compensation but at the expense of Assignee, its successors, assigns, or other legal representatives. Assignor(s) covenant to communicate to the Assignee, its successors, legal representatives, or assigns any facts known concerning the invention.
