RELEASE AND REASSIGNMENT

This **RELEASE AND REASSIGNMENT** is granted on this 30th day of June, 2000 by Credit Suisse First Boston, a New York branch of a Swiss bank with a place of business at Eleven Madison Avenue, New York, New York 10010 (The "Assignor"), as agent for the lenders party to the credit agreement and as custodian of the Collateral (as defined in such credit agreement), dated as of August 24, 1990 (the "Credit Agreement"), as agent for the lenders party to the Public Credit Agreement and as custodian of the Collateral (as defined in such Public Credit Agreement), dated as of February 26, 1992 (the "Public Credit Agreement"), and as agent for the lenders party to the Private Credit Agreement and as custodian of the Collateral (as defined in such Private Credit Agreement), dated as of February 26, 1992 (the "Private Credit Agreement"), in favor of The Coleman Company, Inc., a Kansas corporation, (the "Principal Assignee"), Coleman Outdoor Products, Inc., Coleman Powermate, Inc., Coleman Spas, Inc., Master Craft Boat Company, O'Brien International, Inc. Skeeter Products, Inc. and Soniform, Inc. (the "Additional Assignees"), and The Coleman Company, Inc., a Delaware corporation (the "Subsidiary Assignee" and together with the Principal Assignee and the Additional Assignees, the "Assignees");

WHEREAS, in connection with the Credit Agreement, dated as of August 24, 1990, among the Principal Assignee as borrower, and Assignor, as agent for the lenders party thereto, as custodian for the Hedge Banks (as defined therein) and as collateral holder, the Principal Assignee and the Additional Assignees entered into a patent security agreement, dated as of August 30, 1990 (the "Patent Security Agreement") granting Assignor a security interest in all of Principal Assignee's and Additional Assignees' right, title and interest in and to the Patent Collateral (as defined in the Patent Security Agreement), including, without limitation, the U.S. and foreign patents and patent applications set forth on Schedule I to the Patent Security Agreement;

WHEREAS, the Patent Security Agreement was recorded in the United States Patent and Trademark Office on August 30, 1990, at Reel 5430/Frame 0501 et. seq.;

WHEREAS, the Principal Assignee consummated a corporate restructuring, pursuant to which certain assets of the Principal Assignee and the Additional Assignees, including certain of the Patent Collateral, were assigned to the Subsidiary

Assignee, a wholly owned subsidiary of the Principal Assignee, as of February 26, 1992 (the "Transferred Patent Collateral");

WHEREAS, as part of such corporate restructuring, Coleman Outdoor Products, Inc. and the Subsidiary Assignee entered into a patent assignment of certain Transferred Patent Collateral, dated as of February 26, 1992 (the "Patent Assignment"):

WHEREAS, the Patent Assignment was recorded in the United States Patent and Trademark Office on March 13, 1992, at Reel 6040/Frame 0404 et. seq.;

WHEREAS, the Patent Security Agreement was restated, (i) with regard to Transferred Patent Collateral, in the Public Amended and Restated Patent Security Agreement, dated as of February 26, 1992, by and among the Assignor, as agent, custodian and collateral holder for the ratable benefit of the lenders, and the Subsidiary Assignee, as owner by assignment of the Transferred Patent Collateral (the "Public Amended and Restated Patent Security Agreement") and, (ii) with regard to the Patent Collateral which is not Transferred Patent Collateral, in the Private Amended and Restated Patent Security Agreement, dated as of February 26, 1992, by and among the Assignor, as agent, custodian, and collateral holder, and the Additional Assignees, except for Coleman Outdoor Products, Inc., (the "Private Amended and Restated Patent Security Agreement") which, together with the Public Amended and Restated Patent Security Agreement amends, restates and supersedes the Patent Security Agreement;

WHEREAS, the Public Amended and Restated Patent Security Agreement was recorded in the United States Patent and Trademark Office on April 17, 1992, at Reel 6088/Frame 0438 et. seq. and the Private Amended and Restated Patent Security Agreement was recorded in the United States Patent and Trademark Office on April 9, 1992, at Reel 6082/Frame 0077 et. seq.;

WHEREAS, Assignor, as agent and custodian for the Patent Collateral pursuant to the Patent Security Agreement assigned the security interest in the Transferred Patent Collateral to Assignor, as agent and custodian for the Transferred Patent Collateral pursuant to the Public Amended and Restated Patent Security Agreement in an Assignment of Patent Security Agreement dated as of March 4, 1992, which assignment was acknowledged by the Subsidiary Assignee (the "Assignment of Patent Security Agreement");

WHEREAS, the Assignment of Patent Security Agreement was recorded in the United States Patent and Trademark Office on April 16, 1992, at Reel 6083/Frame 0007 et. seq.;

WHEREAS, Assignor, as agent and custodian for the Patent Collateral which is not Transferred Patent Collateral pursuant to the Private Amended and Restated Patent Security Agreement granted the Additional Assignees parties to the Private Amended and Restated Patent Security Agreement a release of security interest dated as of October 29, 1993 (the "Release of Private Amended and Restated Patent Security Agreement");

WHEREAS, the Release of Private Amended and Restated Patent Security Agreement was recorded in the United States Patent and Trademark Office on December 1, 1993, at Reel 6763/Frame 0681, et. seq.;

WHEREAS, all obligations of the Assignees under the foregoing documents and instruments are satisfied and fully performed;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor, as agent, custodian and collateral holder under the foregoing documents and instruments and on behalf of itself and each lender party to any of the foregoing agreements hereby terminates and releases (and hereby confirms any termination and release heretofore granted to Assignees with respect to the Patent Collateral) its security interest in and lien upon all Patent Collateral as defined in any and all the foregoing documents and instruments, including but not limited to the U.S. Patents and Patent applications set forth in Exhibit A hereto, and reassigns to Assignees any and all right, title, and interest in all Patent Collateral previously assigned to it by any or all of the Assignees.

IN WITNESS WHEREOF, Assignor has caused this RELEASE AND REASSIGNMENT to be duly executed and delivered by its officer thereunto duly authorized as of the date here above first written.
