CORRECTION OF ASSIGNMENT recorded at Reel/Frame 9146/0609 to include Exhibit A.

ASSIGNMENT AGREEMENT

WHEREAS Wouter M. Muijs Van de Moer ("VAN DE MOER") and Rienk Rienks ("RIENKS"), both citizens of the Netherlands and residing at Grindweg 56, 3055 VB Rotterdam, Netherlands and Mennestraat 17, 3882 AN Putten, Netherlands, respectively (hereinafter collectively referred to as "VAN DE MOER/RIENKS"), have made inventions relating to the sealing of openings in blood vessels and are the owners of various patent applications and patents relating thereto as set forth in Exhibit A attached hereto (all of said inventions, issued patents, pending patent applications and any and all patents, both United States and foreign, issuing from said pending patent applications and/or any applications based thereon being herein collectively referred to as "Patent Rights");

WHEREAS, VAN DE MOER on or about August 11, 1995 contributed and transferred to INNOVASC R&D BV te Rotterdam (hereinafter referred to as "INNOVASC") all of his right, title and interest in and to the Patent Rights, and RIENKS on or about August 11, 1995 contributed and transferred to MEDIFIX R&D BV te Putten (hereinafter referred to as "MEDIFIX") all of his right, title and interest in and to the Patent Rights; WHEREAS, INNOVASC and MEDIFIX are in the process of filing all required notices of said assignments and transfers but have not made or completed all such filings as of the date of this Assignment Agreement;

WHEREAS, Kensey Nash Corporation (hereinafter referred to as "KENSEY NASH") a corporation organized and existing under the laws of the State of Delaware, having offices at 55 East Uwchlan Avenue, Exton, PA 19341, is desirous of acquiring the entire right, title and interest in and to

the Patent Rights and in and to all divisional, continuing, renewal, reissue, or other applications based upon the Patent Rights and any and all patents issuing from any of said divisional, continuing, renewal, reissue, or other applications based upon the Patent Rights.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned INNOVASC and MEDIFIX jointly and severally, by these presents do sell, assign and transfer unto the said KENSEY NASH its entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to the Patent Rights, in and to all divisionals, continuing, renewal, reissue, or other applications based upon the Patent Rights, and any and all patents issuing from any of said divisional, continuing, renewal, reissue, or other applications based upon the Patent Rights.

TO BE HELD AND ENJOYED by said KENSEY NASH and its legal representatives and assigns to the full ends of the terms for which said patents, or any of them, have been granted as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made; and the undersigned jointly and severally do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said Patent Rights and/or upon all divisionals, continuing, renewal, reissue, or other applications based upon the Patent Rights to KENSEY NASH; and the undersigned hereby agree for the undersigned and the undersigned's successors and assigns, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for

Letters Patent that may be deemed necessary by KENSEY NASH, fully to secure to KENSEY NASH its interest as aforesaid in and to said Patent Rights or any part thereof, and all divisionals, continuing, renewal, reissue, or other applications based upon the Patent Rights, and any and all patents issuing from any of said divisional, continuing, renewal, reissue, or other applications based upon the Patent Rights, or any of them.

The undersigned do hereby covenant jointly and severally for the undersigned and the undersigned's legal representatives, and agree with KENSEY NASH, and its legal representatives, as of date of the execution of this deed that the undersigned then had good right and title in and to the Patent Rights and that the undersigned have not executed and will not execute any instrument in conflict therewith.

IN WITNESS WHEREOF, the undersigned Innovasc R&D BV te Rotterdam, by
our duly authorized directeur, Wouter M. Muijs Van de Moer, and Medifix R&D BV te Putten, by
our duly authorized directeur Rienk Rienks, execute this Assignment Agreement this 10th day of
