**SUPPLEMENT TWO
TO
PATENT AND TRADEMARK SECURITY AGREEMENT**

This SUPPLEMENT TWO TO PATENT AND TRADEMARK SECURITY AGREEMENT ("Agreement"), dated as of September 12, 2000, is entered into between **VERIDICOM, INC.**, a Delaware corporation ("Grantor"), which has a mailing address at 2040 Martin Avenue, Santa Clara, California 95050 and **TRANSAMERICA BUSINESS CREDIT CORPORATION**, a Delaware corporation ("TBCC"), having its principal office at 9399 West Higgins Road, Suite 600, Rosemont, Illinois 60018, and having an office at 76 Batterson Park Road, Farmington, Connecticut 06032.

RECITALS

A. Grantor and TBCC previously entered into a Patent and Trademark Security Agreement dated as of March 5, 1999 (the "Original Agreement"), which was recorded in the U.S. Patent and Trademark Office with respect to the trademarks and patents identified therein;

B. Grantor and TBCC also previously entered into a Loan and Security Agreement dated March 5, 1999 ("Loan Agreement") and other instruments, documents and agreements contemplated thereby or related thereto (collectively, together with the Loan Agreement and the Original Agreement, the "Loan Documents"). Pursuant to the Loan Documents, Grantor has granted to TBCC a security interest in, among other things, all of Grantor's present and future general intangibles, including, without limitation, trademarks, patents and other "Collateral" (as defined in the Original Agreement);

C. Grantor and TBCC desire to supplement the Original Agreement to make specific reference to the trademarks, patents and other intellectual property set forth below. The Original Agreement shall continue in full force and effect with respect to the Collateral described therein. By entering into this Supplement, the parties do not intend to imply that the trademarks, patents and other intellectual property set forth below are not covered and perfected by the existing Loan Documents, including, without limitation, the Original Agreement and the Loan Agreement.

NOW THEREFORE, for valuable consideration, the parties hereto mutually agree as follows:

1. Exhibit A and Exhibit B of the Original Agreement are hereby supplemented by the addition of the intellectual property set forth on Exhibit A attached hereto, so that the "Collateral" (as defined in the Original Agreement) includes, without limitation, all of the intellectual property set forth in Exhibit A and Exhibit B to the Original Agreement and all of the intellectual property set forth in Exhibit A hereto.

2. Grantor confirms its grant to TBCC of a security interest in all of Grantor's right, title and interest in the Collateral, including, without limitation, the intellectual property set forth on Exhibit A hereto, to secure the payment and performance of all "Obligations" (as defined in the Original Agreement).

3. The Grantor represents and warrants that Exhibit A and Exhibit B to the Original Agreement, together with Exhibit A hereto, constitute a true and complete schedule of all federal and state trademark and patent registrations, and pending registrations and applications, owned or controlled by Grantor or licensed to Grantor.

4. Except as modified herein, all terms and conditions of the Original Agreement shall continue in full force and effect, and Grantor represents and warrants to TBCC that all representations and warranties set forth in the Original Agreement, as supplemented hereby, are true and correct as of the date hereof. This Supplement is an integral part of the Original Agreement.

IN WITNESS WHEREOF, this Supplement has been executed as of the date first written above.
