ASSIGNMENT

WHEREAS, we, Harrell L. Walker, residing at 1171 Highway 3072, Ruston, Louisiana 71270, and Anthony M. Tilley, residing at 5738 Jefferson Paige Road, Shreveport, Louisiana 71119 (ASSIGNORS), are the inventors of an invention or improvement entitled "Control of Weeds With A Fungal Pathogen Derived from M Verrucaria" for which we have executed an application for Letters Patent of the United States of America, Serial No. 512,093, filed August 7, 1995, now issued as Letters Patent No. 5,747,029; and

WHEREAS, Louisiana Tech University Foundation, Inc.(ASSIGNEE), a non-profit organization as defined under 37 C.F.R. § 1.9(e)(2), organized and existing under the laws of the State of Louisiana, having its principal office and place of business in the city of Ruston, State of Louisiana, is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application and Letters Patent No. 5,747,029 in the United States of America and in any and all countries foreign thereto, pursuant to the assignment obligations of Harrell L. Walker and Anthony M. Tilley in the patent policy provisions of the Louisiana Tech University Intellectual Property Policy;

NOW, THEREFORE, for and in consideration of, and in accordance with the assignment obligations and revenue provisions and other provisions set forth in the Louisiana Tech University Intellectual Property Policy, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and other valuable consideration, we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said Louisiana Tech University Foundation, Inc., its successors, legal representatives, and assigns, the entire right, title and interest in, to and under the said invention, and the said application and said Letters Patent No. 5,747,029 and all provisional, divisional, renewal, substitutional, and continuing applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States of America, and all extensions, renewals, reexaminations and reissues thereof, and we hereby authorize and request the Commissioner of Patents of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said Louisiana Tech University Foundation, Inc., its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in ASSIGNEE, its successors, assigns and legal representatives.

AND WE HEREBY jointly and severally covenant and agree that we will, at reasonable

times upon the request and at the expense of ASSIGNEE, do all lawful acts to enable and assist ASSIGNEE to (a) maintain said letters patent in full force and effect and to obtain any other letters patent, both domestic and foreign, on said invention; (b) establish, maintain and secure title in ASSIGNEE, its successors and assigns, to said invention, application and letters patent, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of said letters patent against any and all infringers and perform such other acts as necessary to give full force and effect to this assignment, all in accordance with the provisions and intent of the Louisiana Tech University Intellectual Property Policy.
